

2 Arrested Same Day As Tavern Burglary

Another Break-In,
Check Fraud, Theft
Of Auto Also Solved

A cashed check and two pistols led to the arrest Tuesday night of two Granite City men in Madison County, a burglary on an auto theft and a check fraud case have been solved as a result, Madison police said today.

Both were charged Tuesday with theft of the guns, \$287 and other items from the Sportsman's Club Tavern, 1001 Iowa street, early Tuesday morning. Two other charges also were filed.

Those in custody are Leslie Harold Holik, 21, of 1828 Cleveland blvd., and William Arthur Copeland, also 21, of 1735 Delmar avenue. Statements were obtained from them yesterday and evidence is being forwarded to the state's attorney's office, Madison police said.

The police entered the investigation after being notified that the \$287 in cash, .41-caliber Remington and a .38-caliber Smith & Wesson handgun had been taken from the tavern between 4:20 and 6:10 a.m. Tuesday.

The money was taken from a cash register, which was removed from the building. The front was pried off, and the change tray and front of the machine were left in the tavern.

The cash register itself was found by Granite City police at 6:30 a.m. Tuesday at the rear of the Nesco Steel Barrel Co. Officers and Joe Prince, proprietor, determined that it entry was gained by prying up a window on the tenth street side. The exit was made through a back door.

Shortly after 8 a.m. Tuesday a red 1959 two-door auto was recovered at 17th street and Cleveland blvd., and investigation showed that it apparently had been used in the burglary. It contained signs of motor hearing names and also a public address system microphone believed to have been taken from the Sportsman's Club.

Stolen or Damaged?
Found to have been sidestepped on both sides at the time it was recovered, the vehicle had been stolen Monday night from the City Motors Co. used car lot in the 1000 block of Madison avenue. A female voice telephoned the auto firm Tuesday morning, reporting the auto's location, and it was moved to the City Motors lot at 21st street and Madison street.

Police were notified and established the link between the car theft and investigation. It appeared that a heavy object had been pulled across the back seat, which was badly torn. Other evidence also was located, police said.

Meanwhile police had learned that 20 blank checks, probably inscribed with the company's check protector, had been taken when a burglar smashed the B and E Planning Mill and Supply Co. office, 1228 State street, Oct. 6.

On Tuesday afternoon, it was learned that one of the missing checks had been cashed for \$86 at Ralph and Charlie's Steak House, 1431 Fourth street, by Holik at 2 a.m. Oct. 6. Area police.

'Invasion' Ship Ready To Launch UF Drive

Downtown Post Office
To Be Scene Of Public
Rally Tomorrow Evening

The Tri-Cities Area United Fund will launch its campaign ship at 6 p.m. Friday in front of the Granite City post office. A public rally has been organized for the occasion and a one-hour program of entertainment is planned.

With the launching, the campaign for \$299,231 to cover the 1963 budget will be officially under way.

The Tri-Cities area will be immediately "invaded" by hundreds of campaign workers. The invasion will last through October.

The program Friday will consist of entertainment by the Coolidge junior high school Latin American Rhythm Ensemble, under the direction of Robert D. Tolson, and a one-hour program of entertainment by the members of the Red Shield Society of Exiles of Arizona, four grandchildren and 10 great-grandchildren. Funeral arrangements appear in the obituary column.

Mrs. Jeff's husband, Edward, was on the Granite City police force 20 years and was night chief. He preceded his wife in death in June, 1955.

Survivors, in addition to her son, Carl, of (San Ramon), a daughter, Mrs. Evelyn (Gumpert) of University City, Mo., two half brothers, Byron Enoch of St. Louis county and Kenneth Enoch of Arizona, four grandchildren and 10 great-grandchildren. Funeral arrangements appear in the obituary column.

The entire campaign this year has been given a nautical theme. All the workers and chairman have been given nautical rank and the slogan is "United We Sail, Divided We Sink."

The various sections and sub-sections of the campaign have been designated as task forces and flotillas.

A large "ship" was constructed at this week on the post office lawn. Two large billboards were made to represent the prow of a vessel. The anchor chain will indicate the daily progress of the campaign as it is gradually drawn in toward the 100% goal.

Unions Build Ship
Three unions local cooperated to determine a means for financing the construction of a sewage treatment plant. The city has authorized the necessary grant. The mayor, who is home representing from major surgery, said today the appointments are to be submitted to the council at tonight's special session for confirmation.

He added that he also has instructed City Atty. John Gilchrist to determine a means for financing the construction of a sewage treatment plant. The city has authorized the necessary grant. The mayor, who is home representing from major surgery, said today the appointments are to be submitted to the council at tonight's special session for confirmation.

On financing, Davis said, Atty. Gilchrist is to aid the council in determining the amount of the grant to be financed by revenue bonds or general obligation bonds. It was reported that the grant would be required for general obligation bonds, it was reported.

A delegation of 15 to 20 members of the Granite City Jaycees will be present at tonight's ceremony at 7:30 p.m. It was announced by the president, Alvin Barnes, II. He said the Jaycees hoped to express their views on a city treatment plant.

**St. Mary's Parish Plans Celebration
Of Golden Anniversary This Weekend**

(Other Pictures on Page 27)

With the Very Rev. Dominic Limacher, O.F.M., as celebrant, a Solemn High Mass of Thanksgiving will be offered at noon Sunday at St. Mary's Catholic Church in Madison as the parish celebrates its 50th anniversary.

The Golden Jubilee program is to begin Saturday, when the entire parish is to receive the Sacrament of Penance. Sunday morning four low Masses will be celebrated, followed by the noon Mass and a banquet at the hall. The banquet will be held at the hall Sunday evening.

Rev. Limacher, provincial of the Sacred Heart Province, will be assisted by Rev. Lamin Buzynski, O.F.M., pastor of St. Rose church of Hermann, Mo., and Rev. Albert Koster, O.F.M., of St. Joseph's church, Cleveland, Ohio.

The three will march in procession preceded by the Fourth Degree Knights of Columbus, the Girl Scouts and Boy Scouts.

Fire Drills At Schools 'Best' In Recent Years

32 Radar Speed
Warnings First
Day In Madison

Fire drills at local schools were rated "the best in recent years" by both Granite City and Madison firemen.

Firemen in both cities visited the schools in conjunction with this week's observance of "National Fire Prevention Week."

Time to evacuate school buildings ranged from 25 seconds for the 104-pupil Logan Annex to a minute and 50 seconds for the Granite City high school, with 2147 pupils and Emerson grade school with 336 pupils.

Madison Drills
Madison Fire Chief E. J. Miller said all fire drills were conducted in an orderly manner, and time required for emptying buildings was well within the prescribed safety limits in all cases.

Dunbar school, with 540 students, posted the fastest evacuation time, Miller said. The building was cleared in 55 seconds. St. Mary's parochial school, with 215 students, took only one second longer.

Miller said one minute was required to clear the Madison high school building, where 675 students are enrolled. The junior high school, with 255 students, required one minute, six seconds.

An evacuation time of one minute, 10 seconds was recorded at Louis Burr school and Lincoln. The schools for the first nine months of the year now show 877 births and 295 deaths. The birthrate is down 125 and the deathrate has dropped four compared to the same period in 1961.

Granite City Schools
Granite City Assistant Fire Chief Curtis Donley said drills were conducted yesterday in public and parochial schools. Youngsters were given Junior Fire Marshal badges.

He commented the drills were "most satisfactory" and the youngsters handled themselves in an orderly manner.

The time schedule for clearing the schools follows:

Driver Arrested After Crash Near School Stop

Sidney Williams, 38, St. Louis, was charged with careless driving, property destruction and driving while under the influence of alcohol following a two-car collision in the 600 block of Washington, Venice, at 3:15 p.m. Monday. He was released on a property bond the next day to appear for a hearing Saturday afternoon.

There was damage to the left front of Williams' car, which was towed to a garage, and the back bumper of the auto of Anthony Diviers, 45, Box 222, Madison, who had halted for a school stoplight.

Talks Continuing
With Teachers

Talks are continuing on terms of a working agreement which Teachers' Local 743 is seeking and which the Granite City school board has indicated will be agreed.

Seven representatives of the local attended Tuesday night's board meeting, during which a further report of the Sept. 29 negotiating session was considered.

After an executive session lasting nearly two hours, it was announced that board members present had unanimously rejected a clause which would have provided for a seven-member arbitration committee on contract not signed by June 1 of each preceding school year.

The board also said it had instructed the administrative staff on the wording to suggest for two other proposed clauses in the working agreement. Six articles already have been tentatively agreed upon, pending an agreement on salaries.

Terms of the working agreement have been given priority over the salary issue at the request of Local 743. The full agreement is to be retroactive to July 1, 1962.

Members of the teachers' salary and policy committee, with exception to the board's action Tuesday and left the meeting room after voting their objections. The board adjourned several minutes later, and an in-

Vandalism Man Injured In Mitchell Accident

Woodrow Nalley, 49, of Vandana was admitted to St. Elizabeth hospital this morning with injuries suffered on a construction project accident near Mitchell.

A hospital attendant said Nalley complained of pain in the back and had contusions to the legs. He had surgery and emergency room treatment before being admitted.

Nalley was injured when the wheel of a ditch-digging machine pinned him against the side of an excavation. An employee of the Hoffken Bros. construction company of Belleville, he was working on new Interstate 270 at the Altam & Southern railroad tracks.

Area's Birthrate, Deaths Show Decline For Year

The Quad-Cities area birthrate and deathrate show declines this year compared to 1961 vital statistics.

City Clerk A. L. Stevens, who compiles the statistics for the entire area, reported that there were 101 births and 23 deaths during September.

Vital statistics by months follow, with births listed first:

January—106 and 40, February—86 and 28, March—102 and 87, April—104 and 38, May—96 and 24, June—107 and 37, August—99 and 32, September—101 and 23.

Before application is made with the Federal Housing and Home Finance agency for planning funds, the preliminary data is to be reviewed by the state Sanitary Water Board.

"Once we have their comments," Briggs commented, "we should

Sen. Everett Dirksen To Speak Here Saturday

Senator Everett M. Dirksen will make his first appearance in the Quad-Cities during his current political campaign at 2:30 p.m. Saturday at the Belleville Village Shopping Center.

A local Republican leader said the incumbent senator had expected to arrive here earlier, but decided to delay his arrival time in order to make a request for appearance at Belleville.

He said Dirksen has been hampered in his campaign for re-election by his duties as minority leader in the long Congressional session.

The Senator's Belleville talk is scheduled to speak at the high school auditorium at 7:30 p.m. He has made several previous appearances in Madison county this fall.

Employment Of 4 Teachers Is Approved In GC

Hiring of four teachers recommended by Supt. Harold M. Kaiser, was approved Tuesday night by the Granite City school board.

Roy Glen Seamen, Edwardsville, who holds a bachelor degree from Southern Illinois University, was employed as an unassigned elementary instructor and will teach at Stallings. Mrs. Ruth Lillian Crawford, 3306 Franklin avenue, a registered nurse, will serve as nurse at Prather and Central junior high schools. Logan grade school and the Logan annex.

Effective Oct. 22, Mrs. Vivian Mae Shockey, East St. Louis, who has three years of teaching experience and a bachelor degree from Greenville College, will teach a first grade class at Washington school. On Nov. 26, Ronnie Lee Beard, Florida, Ill., 1962 bachelor degree from Eastern Illinois University, will take over a mathematics class at Granite City high school.

Dr. Kaiser informed the board that he conferred with the University of Illinois Teacher Placement Service while in Champaign last week for state school association meetings. Students graduating there in January may be available for local employment, he related.

Mrs. Willard's Resignation
The board accepted the resignation of two cafeteria employees, Mrs. Fannie Willard, 2810 Iowa street, a GCIS worker who is retiring, and Mrs. Wanda Lee Snyder, 2152 Robert street, also a GCIS cafeteria employee.

Dr. Kaiser called attention to attendance by the entire Madison and Venice school boards at annual School Board Association of Illinois conventions, and junior high and senior high plan to attend Nov. 18-20 at Chicago. Board members said the existing Granite City policy is attendance by the superintendent and two board members, waived last year only to permit three members to attend.

It was decided to obtain reservations for Dr. Kaiser and two board members, who are to be determined later. Special board action is still necessary in order for more than two members to participate, a discussion brought out.

A list of substitute cafeteria workers was submitted and discussed briefly, with approval deferred until the Oct. 23 board meeting.

Institute Sessions Here

Dr. Kaiser reported that three sections of today's teacher institute for Madison, St. Clair, Bond and Clinton counties are being held in the Granite City district. Vernon Mathews is chairman of the science section. Eugene L. Alsall heads the art section and Dr. Kaiser is in charge of the session attended by administrators and principals. Belleville is host to English, foreign language, vocal music, elementary principals and supervisors, kindergarten and special services, the latter including nurses, counselors, special educational personnel and librarians. Triad is host to vocational education teachers, including business education, home-making, industrial arts and agriculture. Other institute locations are Edwardsville, mathematics and intermediate grade teachers, Collinsville, band and primary grades, Breese, school bus personnel and bus drivers; Greenville, boys' and girls' physical education and coaches; and Highland, social science.

It was announced that letters have been received from County School Supt. Wilbur R. L. Trimpe officially approving plans for four new classrooms at Nemo grade school and five classrooms and a kindergarten room at Mitchell elementary school.

Dr. Kaiser called attention to a 1962 Freedom Foundation award won by Granite City high school on the basis of a student project supervised by Miss Mary Blackburn.

Miss Kerch Commented

A letter from State Supt. George T. Wilkins related that Miss Barbara Kerch, supervisor of elementary physical education asked how many board members girls' physical education, "worked diligently and with professional zeal" in development of an "excellent publication." The project was a state curriculum pamphlet, "Physical Education in Elementary Schools. An Interpretation for Administrators and Teachers."

"I am indeed grateful to the members of this committee for the many hours of work they gave in writing and editing this book. I feel they can be extremely proud of the result," Wilkins said.

"As chairman of this committee, Miss Kerch will continue to give guidance in the editing of the enlarged publication, namely Bulletin No. 8 of the Illinois Curriculum Program C-series, for use in the elementary schools in Illinois."

the First Holy Communions and the Mass Servers.

Jubilee Banquet
At the jubilee banquet, a high school girls' choir, the children of St. Mary's School, the parish choir and the Franciscan Celerity of Teutopolis will render variety numbers.

The low Masses Sunday will be at 7:30, 9 and 10:30 a.m.

The church pastor, Rev. Engelbert Bienek, O.F.M., was appointed to St. Mary's Feb. 3, 1936. Rev. Bienek is assisted by Rev. Sylvester Mick, who was appointed to the parish in 1960.

It was on Oct. 17, 1912, that first trustees of the church were appointed. The original St. Mary's church was formally opened on Christmas day that year. A two-story frame building, it contained a parochial residence, two classrooms and an upstairs sanctuary.

In September 1913, two Franciscan Sisters from St. Louis took charge of the school. Because of increasing enrollment and a lack of proper accommodations, however, the school was closed after a few years and its students transferred to public schools.

First Pastor Named
First St. Mary's pastor was Rev. William Wozniak, appointed because he was familiar with the customs and manners of the Slavish people who made up a great part of the parish. In October 1924, Rev. Wozniak resigned and Rev. David L. Scully, assistant at St. Joseph's Church in Granite City, became pastor.

Under Rev. Scully's leadership, ground was broken for a new parish school the following year. A new brick building containing nine rooms and a church auditorium with a seating capacity for 370 was erected. The new school formally opened Sept. 1, 1925, with an enrollment of 265 students.

In 1930, Rev. Scully was transferred and Rev. George Kenney was named pastor. Rev. Kenney died in January 1936. Soon after, Most Rev. James A.

Griffin, Bishop of Springfield, invited the Franciscan Fathers of the Sacred Heart Province to take charge of the parish. It was then that Rev. Bienek became pastor.

New Sisters' Home
During the depression years, the parish accumulated a debt of \$44,000, which was finally liquidated in 1944. From that time, efforts were devoted to raising funds for a new church and residences for the church sisters and priests. The home of a parishioner, Anthony Urban, was bought and converted into a sisters' residence in 1952.

In September of the same year, ground was broken for the new church. Actual construction began Nov. 17, and on May 24, 1953, the cornerstone was laid. The new edifice was dedicated on Thanksgiving day, Nov. 25, 1954.

St. Mary's new rectory, built of Bedford alone and brick, fitting the Romanesque style of the church, was dedicated Sept. 28, 1958.

"We look forward to seeing many former parishioners this weekend," Rev. Bienek said, discussing the anniversary celebration. "We trust our program will be conducted in the proper spirit, adding dignity to the history of St. Mary's parish."

Richard Kraft Recovering
Richard Kraft, 69, Riviera drive, is recovering at St. Luke's Hospital, St. Louis, from major surgery which he underwent last week. He expects to return home in a few days.

\$28,804 September MFT For Three Local Cities

Motor fuel tax allocations for the three local municipalities for September amounted to \$28,804. It was announced this week at Springfield by the state department of finance.

Of the total, \$22,065 goes to Granite City, \$3777 to Madison and \$2962 to Venice.

Runaways Caught

Three runaway children from the Soldiers and Sailors' Home at Normal, Ill., were apprehended in Granite City Tuesday morning and turned over to Illinois Department of Mental Health authorities. There were two girls, 15 and 14 years of age, and a boy, 12.

Keep up your courage and your courage will keep you up.

Returns From Hospital

Miss Mary Lou Widows, 3316 Franklin avenue, returned Wednesday to her home from Firmin Desloge Hospital, St. Louis, where she was a patient for three weeks while recovering from major surgery.

William F. Hoelscher Named To Office Here

William F. Hoelscher, son of Mr. and Mrs. C. W. Hoelscher, has been named assistant to the general manager of the East Side Manufacturers Association. The appointment, effective next Monday, was announced today by the board of director president A. A. Schweighauser.

Hoelscher will assist his father, who is general manager and secretary of the association, until the latter's retirement.

The association is comprised of representatives of about 20 major east side industrial firms. Through its members the association is affiliated with the Illinois Industrial Council, the Illinois Manufacturers' Association, the National Industrial Council and the National Association of Manufacturers.

A native of Granite City, young Hoelscher has been employed by the Shell Oil Development Co. in California since 1950. He is an attorney with a bachelor of science degree in law and a bachelor of law degree, both from the University of Illinois. He was admitted to the state bar in 1957 and to the federal district court in 1959.

Hoelscher was born in Granite City in 1931. He attended both Niedringhaus and Nameoki grade schools and was graduated from Granite City high school in 1949. He served as a first lieutenant in the U. S. Air Force from 1952-55 as a legal officer, negotiator at the U. S. embassy in Ottawa, Canada.

Mrs. Hoelscher is the former Mildred Mary Barnhart, daughter of Mr. and Mrs. Victor J. Barnhart of Wood River. She attended the University of Illinois the same time as her husband and holds a bachelor of science degree in dance and a master of arts degree in theatre arts. She was a dance instructor at the University of Arkansas from 1953-55, at the University of Illinois from 1955-57, at Western Washington State College from 1957-59 and at Oakland Technical high school in 1960.

The Hoelschers are the parents of one daughter, Gretchen Mary, 21 months old. The family will move to this area from Concord, Calif.

Shotgun Taken From Car

An auto was rifled sometime Monday on the Granite City Steel parking lot, Oran Odum, 2400 Terminal avenue, told police a 12-gauge shotgun, three boxes of shells, hunting boots, pants and coat, and a tire and wheel were stolen.

New Bishop Opens Episcopal Synod

The Rt. Rev. Albert A. Chambers, newly consecrated Bishop of Springfield, opened the 85th annual synod of the Episcopal Church of the Springfield Diocese Tuesday afternoon at Belleville.

The Rev. David E. Nyberg of Granite City was elected one of four delegates to the Provincial Synod which will meet in South Bend, Ind., Oct. 15-17. New standing committee and diocesan council members also were elected.

At its principal business session, the synod adopted a budget of \$107,785 for the operation of the diocese. The budget includes a health, accident and life insurance program for the clergy which has been under consideration for a number of years.

Bishop Chambers told delegates Episcopalians should be convinced that the spiritual road they travel "is the best, the most fitting, the truest to the facts and the nearest to apostolic teaching and the Christian way of life." He stressed the emotional and inspirational point of view.

School Of Missions To Continue Sunday Night

Second in a series of four School of Missions programs at Nameoki Methodist Church is planned for 7:30 p.m. Sunday at the church. Topic will be "The Deaf and the Blind" and Braille reading aids will be displayed. Miss Mervene Gresham will be the leader.

The mission school, attended by 68 at the initial session, is centering on the book, "The Arm of Compassion," and the general subject of aid to handicapped people.

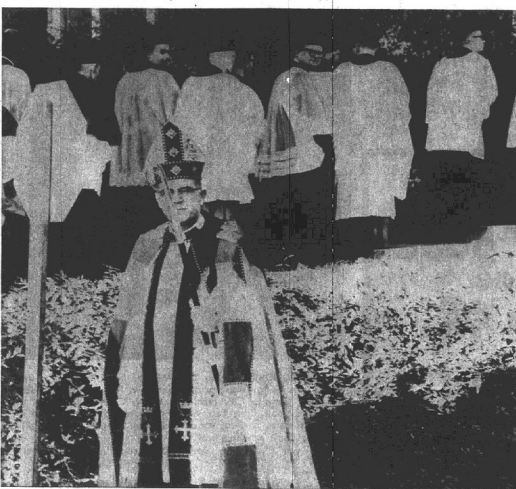

Auto Catches Fire

Fire caused minor damage to an auto owned by Thomas Hutchinson about 6 p.m. Wednesday. A malfunctioning carburetor was blamed. Firemen from the Nameoki road station responded to the alarm at Faith and Duxton avenues.

composed of the highest-scoring students, and about 11,000 of them will take a second examination in December to establish further their eligibility to receive Merit Scholarships.

"For the commended students, the commendation letters provide tangible recognition of their high ability. We urge the students honored today to make every effort to attend college, and to develop to the fullest their promise of achievement," Stalnaker said.

The corporation sends the names, home addresses and test scores of all commended students to the two colleges they indicate as their preferred choices. Other special services are performed in an effort to increase the scholarship opportunities of commended students and semifinalists.

Costs Of Sewers

(Continued from Page 1.)

have no difficulties getting a federal planning grant."

McKay added the township also should qualify for federal funds for treatment plant construction. The treatment plants include one in the State Park Place area which would empty into Cane Creek and the other near Horseshoe Lake in the vicinity of Route 35 and Lake road.

The engineer said most problems for the system in East Madison have been solved. The problems occur in the larger and more widespread sections of the township.

"We could get costs down by excluding some areas—such as Garbo addition and Wilshire Manor—but then you wouldn't be serving all of the township," McKay said. He added that development in the Wilshire Manor area is rapid, and that new subdivisions also are in the making and already underway in the township's area along Maryville road.

"There's every indication of

rapid development in many areas of the township. We've planned the financing over a 40-year period, the maximum, and the system is designed for 20 years. I'm sure with the growth, that the sewer system fees could be reduced greatly," McKay told the board. The bond interest rate was estimated at 4%.

Breakdown Of System

He said there would be 116 immediate users with a possible growth of 200 in the East Madison area. The cost of the sewer system would amount to a \$2.50 monthly charge, with an additional estimated \$1 for sewerage treatment. "That is, if the system is connected onto the Madison system with sewage to be treated by the levee district," McKay said.

In State Park Place with 370 users and a possible expansion to 500, he said the estimated \$6.05 monthly charge under a revenue bond financing could possibly be cut to \$4.50 through general obligation bonds.

The engineer said operation of the treatment plant for State Park Place would be about \$800 a year.

"In the main section of the township, that's where we have problems," McKay said. "The developed areas are wide spread. At present there are 116 homes, 22 businesses and four churches to be served. Construction cost exclusive of the Garbo

and Wilshire area would be \$827,544. Including them, the construction costs would be \$1,207,085, and the total number of users would be over 1300."

Hundreds Of Homes Planned
McKay said he and his staff have conferred with all developers in the area. "There are plans for several hundred new homes. I'm sure they'll be built, especially after the sewers are in. The big question is how long will it take, and will the present users be able to afford to put in sewers large enough to take care of the future growth," he added.

The main treatment plant to be located at Horseshoe Lake is designed for 7000 to 10,000 population. Immediate use would be by 5000. "We can cut the size and add onto it as we need to," he told the board.

The engineer explained the PHIF agency would turn down any plan with unrealistic costs. "The proposed monthly charges now are nearly twice what they should be, and for approval by the agency to get federal planning funds, we must include a per user cost."

He said proper methods could be prepared under general obligation bonds to protect the farmer.

It was pointed out during the meeting that a resident of East Madison had paid \$48 within the period of a year to have his septic tank pumped.

Retires After 34 Years With Laclede Steel Co.

Frederick J. Renner, 4624 Lake drive, has retired after more than 34 years of continuous service as an employee of the Laclede Steel Co. in Madison.

A furnace charger at the time of his retirement, Renner had worked as a millwright, crane operator, bender and skid inspector since he was first employed by Laclede in 1928.

Prior to that time, he worked at the old Hellenbacker rolling mill in Madison, which was destroyed by fire in 1920.

A native of Freeburg, Ill., Renner and his wife are members of St. Elizabeth's Catholic Church and are the parents of two children, both grown.

Chapter Directors Going To State Red Cross Meet

Plans for several to represent the local chapter at the annual state conference of the American Red Cross Nov. 10 in Decatur were made during a monthly board meeting Tuesday afternoon.

Chairman Floyd Mitchell reported on a midwestern meeting held last week in St. Louis for chapter chairmen and executive secretaries.

Mrs. Ruby Overbeck, executive secretary, submitted a home service report showing 152 September contacts, including 56 Army Depot personnel, and 13 cases of financial assistance totaling \$1100. She listed seven leaves, two leave extensions, five health-welfare cases, 30 long-distance communications, one assist with government benefits, 22 instances of correspondence, nine information reports and 63 counseling cases.

Bid Economy, Investments Reviewed By School Board

Competitive bidding procedures of the Granite City school district are continuing to achieve economy gains, school administrators said at a meeting of the Granite City school board Tuesday night.

An example cited was the supply of coal for Central junior high school, Stallings grade school and the annex of Logan grade school. Compared to an \$8.50 low bid a year ago, the 1962-63 contract was awarded Tuesday to the Paul Seeshold Concrete Co. at \$7.90 a ton. Three other bids ranged from \$8.50 to \$8.95.

The bid listed a minimum load of 20 tons and a maximum of two stops per load, provisions described as satisfactory for the school district. Specifications included heat per pound, ash by weight and sulphur and moisture percentages.

Book Supply Contract

H. R. Hunting Co., Inc., was awarded the 1962-63 contract for purchase of regular library books. Its discount rate was from 1% to 1.67% better than four other book dealers submitting bids; amounts listed were a 35% discount on trade books, 25% on books with discount limit, 10% miscellaneous and 10% on publishers' special editions.

Permission was granted to deviate from the purchase agreement "where certain companies

Construction Starts On 20-Unit Apartment

Construction has started and a groundbreaking ceremony was held this week for a 20-family unit two-story brick apartment building at Pontoon Plaza, Leo Wolf said. The building is the first of four similar apartment buildings to be located off Pontoon road, east of Cloverview subdivision.

Wolf said four 20-family Pontoon Plaza apartments are planned and will be served with a fenced swimming pool and a playground. There will be parking space for two autos for each family unit.

The first apartment building is located about 450 feet north of Pontoon road and will be on Sara street. It is to be completed for occupancy in January. Wolf said concrete footing has been poured and the basement wall is going up this week.

Each apartment is to contain 850 square feet. The full basement is to be equipped with storage cabinets.

Plans call for the four 20-family apartment buildings to be at the rear of the proposed Pontoon Plaza shopping center, which Wolf is arranging to develop after the first of the year.

He also is planning to erect 20 brick homes with two and three bedrooms in the \$15,000 price class, which are located between the shopping center, apartment development and the Cloverview subdivision. The houses are to contain about 1,000 square feet and will have carports.

Assessment Suit Filed By Furniture Company

In a suit in file in circuit court at Edwardsville, Fredman Bros. Furniture Co. is seeking an injunction against county tax collectors preventing collection of taxes which they charge are based on "discriminatory" assessments.

The plaintiffs state that discriminatory assessments were made against properties they own in Granite City, Edwardsville and Collinsville. Such assessments are in violation of article IV of the Illinois constitution, it is stated.

The suit asks that Dan McGee, county treasurer and ex-officio county tax collector, the township tax collectors and Miss Eulalia Hotz, county clerk, be enjoined from collecting taxes based on alleged unfair assessments.

Parents Of Retarded To Form Area Chapter

The Lincoln Parent Association, a member of the state council for mentally retarded children, is establishing a local area branch. The initial meeting will be held at 2 p.m. Sunday at the First Methodist Church, 1301 street and Summit avenue, East St. Louis. All interested persons are invited to attend.

If enough persons are present to qualify, a charter will be presented, establishing the East St. Louis area, including the Quad-Cities, as a recognized branch of the Lincoln Parent Association. CM, With Single Wing Background, May Throw 'T' Offense At Madison

Cliff Hoppe, football coach at Civic Memorial high school in Bethalto and long a proponent of the single wing type of offense, probably will throw plays at Madison from the more conventional T and split-T formations when the two schools meet at 8 o'clock tonight at Bethalto in a Midwestern conference game.

"We're a young team and the blocking, what there is of it, hasn't been able to make the wing go," said Hoppe, whose club includes only one senior in the starting lineup and is still seeking its first victory after four losses this year.

Madison, the defending conference champion, is not much more impressive recordwise at this point. Glen Pickering, Trojans, who won all five MVC outings in 1981, are 0-1-1 in league play this year and 0-3-0 overall.

The Trojans broke out of their scoring lethargy last Friday against Dupu, pushing around two TDs for the first time this season, only to be held to a 13-13 draw.

The same evening, the Eagles were absorbing a 38-0 pounding from the apparently MVC title-bound Cahokia Comanches, a club which scored a 27-0 win over MHS the previous week.

Taylor Will Miss Game

Madison touchdowns have come few and far between (four in four games). Bethalto's plight has been even more serious. The Eagles have been blanked twice, 26-0 by Wood River and 21-0 by Roxana, and have come out of the game this time.

Scoring By Miller

Terry Miller, responsible for the only state CM touchdowns of the fall, will be back at right halfback.

Pickering's only announced lineup change was to move Eugene Brown up to the No. 1 fullback position ahead of Larry Andrews, who is listed as a defensive starter.

One of Madison's Western game tonight scored Roxana (2-0) to Dupu (0-1-1), while Cahokia (2-0) plays a Friday night game at Cahokia (1-1).

Warriors Drop Cross-Country Run Tuesday At Cahokia

Cahokia high school barriers ran easily past a virus-defeated Granite City squad in Cahokia Park Tuesday.

The Comanches' Bob Lachuk led the team with a 17:43 (two score) mile course in 9:58. Granite City top finishers were Gary Lennhardt, fourth in 10:33, Norm Sternberg, second, Bob Strouse ninth, Pat Kincaid 11th and Pat Harris 12th.

Oilers Host GC In Homecoming Tilt Tonight

Wood River Aerial Game Is Problem For Warriors

Wood River's Oilers, although they are winless in the Southwestern prep football conference this fall, will display what is probably the most effective passing attack in the league tonight when they host Granite City in an 8 o'clock homecoming contest.

Identical Records

If the Oilers can generate any type of ground game to go with the passing of quarterback Joe Heimkamp, Granite City's defensive unit could be in for another long evening, since Coach Ory Yocum's club usually gets "cup" for the homecoming fans.

"That was the case two years ago when a favored GCIS club found itself on the short end of a 6-0 score at the end of the 1980 Oiler homecoming contest."

Injuries And Changes

Injuries to two line regulars necessitated a couple of changes.

John Zeriel will start at left tackle in place of Gary Riess, who is still nursing a tender back, and sophomore Ernie Kern has been switched from right to left guard, replacing Larry Curry, out with a bruised knee.

Denny Petroff, who plays either guard or fullback, draws an assignment at the same position tonight in place of the transferred Kern.

Heimkamp, who completed eight of 16 passes for 133 yards against a tough Belleville line last week, has in his backfield high scoring (25 points) Gary Zancy at right half, Bob Fisher at left half and Joe Huff at fullback.

Yocum has switched his halfbacks to the opposite running positions for tonight's game.

He has scored four touchdowns in four games, one more than the Oilers.

The Oilers' defense has been a tough task for the Oilers' defense.

Heimkamp's favorite targets on pass plays have been Fisher and end Francis Eaton. Wood River's only score came early in the first quarter on a Heimkamp-to-Fisher pass play to give the Oilers a short-lived 7-0 advantage.

FOUR STRAIGHT WINS

have been registered this fall by these members of the Coolidge junior high school football squad under coaches Bob Ward and John Toncuff.

Squad members include (front row, from left) Larry Crews, Bob York, Terry Cassy, Frank Vitor, Mike Andria, Warren Evans, John McMillan, Bill Prater, Lee Cooper, Dana La-katos and David Dulgeroff. Second row (from left), Darrell Willfang, Larry Ripka, Tom Barnett, Tim Hackney, Jim Millard, Ricky Turner, Greg Wozniak, Jim Valicoff, John Spengler, Bill Gribble and Jim Gann. Third row (from left),

entire Granite City team has been able to rustle up.

"They've been able to move the ball against every opponent," Lewis said of Wood River, "even when they were beaten."

So far, the Warriors have not been able to move offensively even when they were winning.

In four games the Redmen have netted 512 yards rushing and passing while opponents have totaled 853 yards.

CLAUDE PICKS:

Collinsville's four-game winning streak will come to an end tomorrow night, according to football computations handed down this week by Claude, the Press-Record's electronic computer.

The Kahoks run up against Belleville, a club which Claude sees winning its fifth straight.

The streak run up by Alton will also be halted by CBC of St. Louis, Claude's shaky (one point) prediction says.

Proving Claude wrong last week were Assumption, which scored its first win at the expense of St. Mary's; Madison, which tied Dupu; and Collinsville, which the computer had predicted, and the computer managed to stay above the .750 mark for the third straight week.

Tonight, Claude goes with Madison over Bethalto, but picks Wood River over Granite City. The area's fifth undefeated team, Belleville's Central, should have no trouble staying that way Saturday against St. Vincent's, Claude's taped prognostications show.

Service Awards

Two park district service awards and an appreciation

award will be presented to individuals who identify will remain a secret until the banquet.

Maxwell's presence will depend on whether or not he will play winter league baseball in the Cardinal system this year or attend Washington University.

Tickets will first be made available to managers of trophy-winning teams. Those remaining will be available to the public at a cost of \$2 each, beginning Oct. 27, according to Park Supt. Harold Brown.

JEWEL PRESENTATIONS

AT REBEKAH CATHETERING

Delray Rebekah Lodge 786

met Tuesday evening at the Odd Fellows hall in Madison with the noble grand, Mrs. Virginia Gall, presiding. The meeting was opened to the public as the jewels were being presented.

"Five Arts Addendum" was the theme of the presentation. Mrs. Mathilda Williams received her jewel for her 32nd year from Miss Margaret Brown, as poet, who pinned the jewel on as she delivered a poem. Mrs. Ruth Farmer presented Mrs. Williams with a corsage.

Mrs. Mary Mortenson received her jewel for 27 years

from her granddaughter, Mrs. Mary Earls, who was the painter.

A great-granddaughter, Mary Earls, presented Mrs. Mortenson with a corsage from the family.

Mrs. Althea Gray received her 27-year jewel from her daughter, Mrs. Leora Rogers, sculptor.

Mrs. Alma Holdeman presented her mother, Mrs. Gray, with a corsage.

Mrs. Minnie Perry received her 23-year jewel from her daughter, Mrs. Elsa Vance, dreamer, after which Mrs. Perry's granddaughter, Marie Lassen, presented a corsage.

Mrs. Belle Clemens was presented a 25-year jewel by her daughter-in-law, Mrs. Eva Clemens, singer. Mrs. Clemens' daughter, Mrs. Alberta Robertson, presented her mother with a corsage.

Mrs. Dora Bash, who is confined to the hospital, received her 33-year jewel at an earlier date. Mrs. Elva Fowler will

receive her 43-year jewel in the near future.

Mrs. Mary Connole, who was present, received her 50th year jewel at an earlier date.

A short program followed presentation of the jewels, with Mrs. Lockie Shastien singing a solo and Roger Barik playing a guitar solo. Miss Margaret Brown and her sister, Mrs. Wilbur Moore, played a piano duet.

The noble grand presented two past presidents of the district, Glynn Hilliard of Granite City Junia Lodge 477 and Jessie Hodson of Alton Rebekah Lodge 475. Approximately 70 members, friends and relatives were present and enjoyed refreshments. Decorations were in keeping with the fall season.

A large horn of plenty, filled with assorted corn ears, and pumpkins served as the centerpiece. Miniature horns of plenty filled with candy corn were at each place setting as favors.

They were hand made for the occasion.

Guests from Venice, Granite City and Alton were recognized during the evening's social gathering.

Mr. and Mrs. Glen Ritter, Mr. and Mrs. Second street, have had their house guest Ritter's mother, Mrs. Gus Ritter of Marshall, Ill.

Dinner guests Sunday included Mr. and Mrs. Gene Frith and children of Granite City, Mrs. Gus Ritter and Mr. and Mrs. Jerome Millhouse of Marshall, Ill. Mrs. Gus Ritter accompanied Mr. and Mrs. Millhouse to their homes Sunday afternoon.

Larry Harshany and David Harshany, sons of Mr. and Mrs. John Harshany, 1646 Sixth street, returned to their homes from their places of employment during the weekend to attend the wedding of their older brother, Ronald, David, who served as best man in the wedding, is residing in Cleveland, O., and is employed by the E. S. Goodrich Co. at Avon Lake, O.

Larry resides in Hamburg, N. Y., and is an employee of the Bethlehem Steel Co. in Lacombe. Both left Madison Sunday on the return trip.

Aunt Of Local Resident Dies In Belleville

Funeral services were held Wednesday afternoon at Belleville for Mrs. Agnes Sophia Deitz, 78, of that city, an aunt of Mrs. J. H. Bartels of Granite City.

Mrs. Deitz, whose husband, Philip, died April 2, 1933, passed away Monday at St. Elizabeth's Hospital, Belleville. She had been hospitalized since June 27 after suffering a fractured hip in a fall at her home.

Two local men were among those granted probation Monday in hearings before Circuit Judge James O. Monroe at Edwardsville. They are William D. Cawley of Granite City and Frank G. Markovich of Madison.

Cawley, 33, was placed on probation for five years. He had pleaded guilty to armed robbery of a Pontiac Beach tavern earlier this year. Markovich, 20, had pleaded guilty to a charge of burglary.

Probation for both men had been recommended by Joseph Cavar, Madison county adult probation officer.

GO TO CHURCH SUNDAY

The hostesses used all white in their decorations. The buffet table was set on a white linen cloth with white mums as a centerpiece, and white candelabra held white candles on either side of the flowers. A silver tea service was placed at one end of the table and a punch bowl at the opposite end.

A buffet luncheon was served throughout the afternoon to approximately 60 guests.

CLUB ANNIVERSARY: 22nd DISTRICT MEETING HERE

Eagles Auxiliary Honors Past Presidents On Anniversary

Eagles Auxiliary 1128 observed the 34th anniversary of the organization of the group with a dinner meeting Tuesday evening honoring the past presidents.

Chrysanthemums and dahlias decorated the tables and the welcome address was given by Mrs. Florida Batson, president, who presented each of the honorees with a jeweled pin.

Mrs. Frances Steinman, one of those honored and a past state president, was surprised with a gift from the Auxiliary; a portrait of herself, which will occupy wall space in the club room beside a similar picture of Jesse Brown, taken when he held the office of state president of the Aerie.

After the dinner, members retired to the upstairs lodge hall where Mrs. Batson conducted the business session.

An invitation to the Central Illinois fall rally Oct. 19-21 was read and a contribution was sent to the Cerebral Palsy chairman. Reports were given by Miss Sylvia Roy and Mrs. Juanita Blevins on the recent pillow case party and a rummage sale. Mrs. Mary Brominski, ways and means chairman, announced plans for a candy sale the proceeds to further the various charities the group supports.

Mrs. Angie Buehler, director of the Eagles kitchen band, announced an entertainment for patients at Scott Air Force Base Hospital today. Three new members initiated recently were introduced. They were Mrs. Helen Romanic, Mrs. Catherine Moser and Mrs. Marie Huebner.

The initiation ceremony took place in Wood River and at the same meeting Mrs. Batson was elected a trustee of District Eight.

A large pink and white anniversary cake was placed on the altar, and with Mrs. Victoria Portell at the piano, four white frocked escorts led the past presidents in review, after which they were seated around the altar and as their names were called each in turn lighted a candle commemorating their year in office. When all were lighted a birthday song was sung and Mrs. Hazel Pierson, representing the Past Presidents Club, presented Mrs. Batson with a gift.

The guests of honor at the party were Mesdames Margaret Johnson, Ann Hordesky, Leta Schroeder, Pierson, Buehler, Mary Hart, Steinman, Margaret Vrenick, Mary Korsch, Helen Presley, Elizabeth Novatch, Bronowski, Viola Carvey, Junilia Blevins and Miss Sylvia Roy. The escorts were Mrs. Katherine Clark, Mrs. Margie Hall, Mrs. Dolores Kish and Mrs. Norma Henken.

Hundreds Of New Voters Register On Final Day

New voters swamped the reg-
istration centers throughout
Madison county on Monday and
Tuesday, the final days for voter
registration. County Clerk Miss
Eulalia Hotz said this week.
"I don't know the exact num-
ber of new registrants and we
probably won't have the tally
until late next week," Miss Hotz
said.

"We were overwhelmed at the
response on the final two days,
and I know there were hundreds
who showed up to be sure they
would be eligible to vote in the
Nov. 6 election," the county
clerk said.

Monday also was the first day
for civilians to request absentee

NAME CHOSEN FOR SUNBEAM GROUP

Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church and chose their name, the Peter Chen Sunbeams. Rev. Peter Chen was born in a Baptist Hospital in Shanghai, and attended schools maintained by the Southern Baptist Foreign Mission Board there before coming to the U. S. in 1948. He is now pastor of the Chinese Baptist Church in San Francisco. The group were to him during the year and received an answer from him in Chinese and English. Also, all "Christmas in August" gifts the group collected were sent to him for use in his church. He is married and has three small daughters, and his parents still live in Communist China.

At the meeting, songs were sung and "Friends" folders were started. Mrs. Betty Lewis, leader, offered prayer and told the story of a boy who lives in Giza. Pictures of missionary doctors and nurses were shown, and the meeting was closed with prayer by Allen Newberry, Shannon Marmion and Cathy Anderson.

Others present were Gary and Gail Lewis, Larry Anderson, Theresa Gilham, Philip and Bradley Fitzhugh, Robin and Patti Schroeder, Paula Tadlock, Dennis Reynolds and visitors, Donna Smith, Gwen Olive and a new member, Janet Allen.

PROGRESSIVE CLASS ELECTS OFFICERS

The Progressive class of Second Baptist Church met Monday evening with the new president, Mrs. Anna Pitchford, presiding. Singing was held and prayer was offered by Mrs. Rose Harvey.

The teacher, Mrs. Naomi Roney, gave the devotion. An election was held, with Mrs. Louise Daniels chosen as vice president, Mrs. Gusta Pendleton secretary, Mrs. Lena Gardner flower fund chairman and group captains, Mesdames Mabel Mercer, Winnie Tucker, Ruth Helton, Florence Paul and Joy Biegs.

The theme song was sung, and the class chose as its October project the sending of fruit to start-ins.

At the class, Mrs. Roney named as teachers for the coming year, with Mrs. Aline Reagan as substitute teacher.

Mrs. Mercer will entertain for the November meeting, when Mrs. Tucker will offer the devotion.

Refreshments were served by the hostesses. Others present were Mesdames Bartley Hickey, Goldie Smith, Tella Naylor and Maude Beagle.

FIRST MEETING OF BEGINNER SUNBEAMS

The Ruth Wmack Beginner Sunbeam band met Sunday at Second Baptist Church for its first meeting of the year. Mrs. Lenore Welty was in charge of the program and opened the meeting with prayer.

Mrs. Charles Sanders told the children a story and they sang and made Bible books to give to children.

Refreshments were served and Vickie Welty closed the meeting with prayer. Present were Nancy Sanders, Ruth Ann Wilson, Ricky McKinley, Tamie Lupardus, Kenneth McKinley, Eric Purdy, Julie Krus, Lance Whitson, Tonia Sue Penrod, Susan Welty, Vickie Welty, Debbie McCord and Steven Burnett.

WINSOME CLASS CHOOSES OFFICERS

The Winsome class met at the Second Baptist Church Monday night for a regular meeting and election of officers for the coming year.

John Cox gave the opening prayer and Vivian Dine gave the devotion. Officers elected

were: president, Laverne Finnell; vice-president, Ruby Harper; secretary, Esther Davis; treasurer, Dorothy Barnes; and group captains, Geraldine McCord and Annie Gray.

Names were drawn for secret pals. The closing prayers were by Norma Rains, Esther Reitzel and Evelyn Smith.

Refreshments were served to Evelyn Smith, Steffie Liebar, Norma Rains, Frances Feldman, Louise Mitchell, Irene Broadway, Esther Reitzel, Myra Grote and guests, Bonnie Finnell, Shirley Mayberry, Lizar, Nancy Reitzel and Betty Dailey.

Macedonians Proclaim Day of Mourning Here

The Macedonian Patriotic Organization of Granite City unanimously proclaimed Oct. 11 as a day of mourning for Macedonia. The action was taken at a special meeting Tuesday night.

On Oct. 11, 1944, Macedonia fell under the control of Yugoslav Communists and has remained in their hands ever since.

"Tito's Communists party, the sole ruler of Macedonia, has been trying through barbaric methods to suppress the desire of our brothers and sisters who ask only freedom, decency, and a democratic way of life," said Theodore Tchoukaleff of Alton, president of the Macedonian organization here.

"The Macedonian people are forcibly made to celebrate Oct. 11, the darkest day in their history, as the day of their liberation," said Tchoukaleff.

"We oppose most emphatically any military or economic aid to Tito's Yugoslavians," he said.

OPEN HOUSE FOR

FIRST COMMUNION
Allen Edward Ratkiewicz, son of Mr. and Mrs. Anthony Ratkiewicz, 1608 Fifth street, made his first Holy Communion Sunday morning, with his young brother, Aloysius, serving as an angel. Open house was held at the Ratkiewicz home. Breakfast, lunch and dinner were served as various members of the family and friends attended.

Those arriving from Florissant, Mo. were Mr. and Mrs. Aloysius Zelinski and daughter, Vickie, and sons, Gene and Jack. Mr. and Mrs. Michael Ratkiewicz and daughter, Marsha, and sons, John, Charles and Tony. Mr. and Mrs. William Moeller and Vincent Ratkiewicz, grand-mother of the honored guest, Bellefield residents attending were Mr. and Mrs. John Zelinski and daughter, Karen Ann. Vicent residents were Mrs. Charles Boelling and grand daughter, Debbie.

Those from Madison present and New Jersey after spending

were Mrs. Nettie Gnojewski, grandmother of the honored guest, Leonard Gnojewski and daughters, Mary Ellen, Margaret Jean, and son, Leonard Michael, Miss Penny Maeras and Ony Pasche. Brothers of the honoree are Arthur, Andrew, Anthony and Aloysius. Gifts were presented to Allen Edgard in honor of the occasion.

Mr. and Mrs. Edgar Teator, 2034 Milan avenue, Madison, returned to their home Sunday after spending some time in Birch Tree, Mo., where they helped celebrate the golden wedding anniversary of Mr. and Mrs. D. A. Brown. Mrs. Brown and Mrs. Teator are sisters. Open house was held at the Brown home, and five of their children and families were present, along with two cousins who reside in California and a number of other relatives and friends.

The Teators went to Poplar Bluff, Mo., Monday to be guests of Rev. J. L. Teator and two of his daughters and their families. Rev. Teator is a brother of Edgar Teator.

William Brown Dies

At 79; III 3 Years

William E. Brown, 79, formerly of 3045 Myrtle avenue, died at 9:30 a.m. yesterday at the Ruth Nursing Home, Alton. He had been ill three years and at the nursing home two and one-half years.

Mr. Brown was a former Granite City Army Depot employee, and lived in Granite City 15 years. He also had lived in Mitchell, and previously lived 25 years in Alton. He was born at Bingham, Ill.

Surviving Mr. Brown is a brother, Estia Brown, who lives at the Myrtle avenue address. His wife, Katherine, preceded him in death in 1940.

Funeral arrangements appear in the obituary column.

Weight Scales Damaged

Penny weight scales at Curry's department store and Niebuhr's shoe store, both in the 1300 Fifth street and weeks at an East St. Louis packing company, visited his mother, Mrs. Clara Galia, and Miss Mary Mick, a seventh grade teacher at Grono, Poland, who is on vacation and visiting at Garfield, N. J.

Hospital Staff Training For Emergency Evacuation

Emergency evacuation training is being given staff members at St. Elizabeth Hospital, Bernard Finney, an employee in the hospital accounting department and a former Granite City fire captain, is the instructor. The staff already has trained to evacuate sections of the hospital, and training sessions now are for complete evacuation of the building. Nurses also are being instructed in handling fire hoses and extinguishers.

Finney recently completed a special course in hospital evacuation at Washington University.

Both Drivers Charged

Arrest tickets were issued to both drivers involved in a traffic accident at 11:30 p.m. Wednesday. Janice Johannmeier, 21, of 4 Country Lane court, was charged with failing to yield right-of-way. She was driving north on Iowa street when her auto and one driven by Ray Dickerson, 50, 903 Kirkpatrick Homes, collided. Dickerson was driving east on Niedringhaus avenue, police said. He was charged with having improper headlights.

EXECUTIVE BOARD MEETS

AT MARYVILLE SCHOOL

Richard Barnett, president of the Marysville school PTA, conducted an executive board meeting Tuesday evening at the school. He opened the meeting with a discussion on bringing more parents to the PTA meetings.

It was decided that the problem of baby-sitters for young children at home is a large factor in PTA non-attendance. To aid in this problem, the room mothers will be asked to provide adult baby sitters at each regular meeting and possibly will have cartoon movies to entertain the youngsters. Mrs. Ed Stoval will be the room mother chairman.

Plans were completed for a coffee party to be held at the school Oct. 19 from 9:15 to 10:30 a.m. as a get-acquainted event for the mothers of new kindergarten pupils. There will be an informal talk on the background, purpose and function of the PTA.

On Friday, Oct. 12, the PTA will sponsor a parade. The parade will leave the school at 5 p.m. and all students are invited to participate. Following the parade, a king and queen selected from the students of the school will be crowned. Later in the evening, a talent show will be conducted, with approximately 20 children entered.

Arrangements have been completed to have Dick McKelvey speak at the next PTA meeting. He was formerly associated with the Ladies Home Journal magazine. McKelvey will speak on the "Art of Attaining New Abundance in Living" and "New for the Family with Diet and Exercise."

Barnett announced officers and committee chairmen for the year as follows: Wyatt Watkins, budget; Mrs. Reed Martin, historian; Mrs. Bill Asher, hospital; Mrs. L. M. Church, membership; Glenn Lilly, treasurer; Mrs. Ralph Peters, secretary; Robert Stone, vice-president; Mrs. Ronald Whitaker, ways and means; Mrs. Frank Zamboni, publicity; Mrs. Louis Berry, program; Mrs. Ed Stoval, room mother; Mrs. John Jenkins, health and safety; and Mrs. Glenn Lane, publicity.

The next PTA meeting will be held at the school Oct. 16.

PROHABIT PTA BOARD

PLANS PANEL PROGRAM

The executive board of the Prohabit PTA held a monthly meeting at the school Tuesday night. Mrs. Edith McGee, president, conducted the business meeting and asked for progress reports from all committees.

Joe Kaleta, ways and means chairman, reported that all committees on the Fun Festival to be held at the school Oct. 19 have completed their work. Raymond Jones, safety chairman, reported that new safety signs have been placed in appropriate places along Johnson road.

Mrs. Mary Jesse, legislation chairman, has conducted a workshop on school finance at the school board office, to which all PTA board members had been asked to attend. It has been in progress four weeks and as a result there will be a panel of four at the next Prohabit PTA meeting Oct. 16 to answer any question relative to the subject.

Other members present were Mesdames Jean Kaleta, Maxine Ellington, Lenore Orscoff, Elsie Rodell, Agnes Frintzko, Marlene Manogian, Frances Holt, Dorothy Orrick.

THORNGATE CLUB PLANS

WHITE ELEPHANT SALE

The Thorngate Garden club held a monthly meeting at the home of Mrs. Charles Delp on Tuesday afternoon.

Mrs. Delp, president, opened the business meeting by asking all members to answer the roll call with a particular bird call and to describe how they feed and care for birds in the winter.

Plans were made by the members to hold a white elephant sale at their next regular meeting. Mrs. Beulah Miller, program chairman, gave a report on the first breakfast that was held at the home of Mrs. Ida Handeler on Oct. 4.

Each member brought an arrangement of fall flowers, vegetables or fruit to be used as a centerpiece, and was asked to explain how it was prepared.

Mrs. Delp used a Halloween theme in her decorations, displaying the traditional colors of orange and black. She served a dessert luncheon before the business meeting to Mesdames Handeler, Carolyn Moser, Doris Smith and daughter, Sandra, Frances Williams, Geneva Paul, Evelyn Leu and granddaughter, Gaye, Yvonne Galt, Mary Cochran, Elizabeth LaVelle and Milie Moss.

Mrs. LaVelle invited the club to meet at her home for the next meeting on Nov. 13.

PACK 22 DEN MOTHERS

MEET AT WATSON HOME

Den mothers and committee members of Cub Pack 22, sponsored by Frohardt school PTA, met Monday night at the home of Mr. and Mrs. Gilbert Watson, 3525 Terrace lane. Plans were completed for an induction ceremony to take place at Frohardt school on Nov. 14.

Dean Boyer was named to head the Webelos and Gilbert Watson was chosen as cameraman. All boys who applied to join were placed in den. A discussion was held on obtaining more den mothers and assistants, and also fathers to be committee members.

Den mothers present were Mesdames Iris Watson, Marie E. Phoyce Miller, Ann LaZaroff, Betty Rea and Dorothy Line, and an assistant den mother, Mrs. Mary Jesse.

The next meeting will be held Nov. 7 at the home of Mr. and Mrs. Phelps, 3278 Franklin avenue.

Caricaturist Entertains

Rotarians at Madison

Caricatures of Madison Rotarians were drawn at their meeting yesterday by Gordon Currie, Australian artist, television celebrity and newspaper columnist, who was introduced by Anthony Zedek, program chairman.

Currie also presented humorous recollections and urged that countries such as the U.S. and Australia strengthen friendly relations among themselves and place less emphasis on aid to nations which consistently oppose Free World aims.

President Alex Schenoff said he will attend a district Rotarian institute at Mount Sterling, Kentucky, tomorrow, and the Madison club was invited to hear the Rotarian International president address the St. Louis club Oct. 25.

Two Persons Hurt In Traffic Accidents

Two persons were hurt this week in traffic mishaps involving a bus and two autos and an auto and a pole.

A Community Coach Co. bus driver was charged with following too closely Wednesday after his bus struck the rear of an auto driven by Thomas Noonan, 24, of 3266 Westchester drive. Noonan's auto in turn struck the rear of the auto ahead driven by Julian Tankersley, 43, of 5708 Pontoon road. The two autos were stopped to allow traffic ahead to turn, police said.

Noonan was injured slightly in the accident which took place at 8:05 a.m. on Pontoon road near Maryville road. All vehicles involved were heading east. Driver of the bus was Eldon R. Goodson, 23, of 23 Greiner Homes, Madison.

Orvil D. Stevenson, 19, of 2033 Quincy street, was treated early Tuesday morning at St. Elizabeth Hospital for a laceration to the forehead. He was released after x-rays were taken of his right ribs. He was injured in an accident about 1 a.m. when his auto struck and broke a utility pole in the 1400 block of Madison avenue, police said.

Dog Not Yet Located

The effort to locate a dog which bit Kenneth Graham Jr., 11, of 2017 Manley avenue Oct. 3 apparently is ending in failure. It was learned today from the family. The owner has failed to contact them, and the uncertainty over the dog's condition will force the boy to take a painful series of anti-rabies shots.

Hodge 3rd Clemency Appeal Under Advisement By Board

(Special from Springfield)

A third try for clemency by former state auditor Orville Hodge was taken under advisement Tuesday by the state board of pardons and paroles.

The board took the case following a half-hour hearing during which the state argued that Hodge is serving a 12-to-15 year prison sentence at Menard for embezzlement \$1,500,000 of state funds.

Robert Heckenkamp, a Springfield attorney, was the only spokesman on behalf of Hodge. He rested his plea on testimony of witnesses and evidence presented at hearings last January and in October 1961. These included letters from clergymen and the mayors of Granite City and Madison.

The only opposition was by Atty. Gen. William G. Clark. He filed a petition stating that "while Hodge did convey assets to a state trustee, it does not entitle him to relief."

Clark argued that Hodge failed to file any statement from the trial judge or the Sangamon county state's attorney and called attention to Hodge's failing to "assist" in the prosecution of his conspirators.

Clark's petition said "in numerous civil and criminal actions arising out of the embezzlement he did not assist in the

prosecution of his co-conspirators although he could have been of a tremendous help as a people's witness."

In concluding his statement, Clark said, "It is respectfully recommended that his petition be denied and his sentence of imprisonment stand."

Seated at the counsel table was Heckenkamp made his plea for the 58-year-old former auditor, who was convicted in August 1956 after a plea of guilty, were Atty. Randall Robertson of Granite City and William Fuiten, Springfield, who were associated with Heckenkamp. Also present were Hodge's sons, William, and Mrs. Bessie Henley, Hodge's sister, both of Granite City.

Stripped Of Assets
Heckenkamp in his plea highlighted Hodge's trial conviction and sentence. He called attention to restitution by the former state officer "by stripping himself of all his assets." He prefaced this by stating "that rather than reviewing previous statements at last January's and the October 1961 hearings" he was leaving the transcript of both with the board.

He added that the "severity of the sentence at the time of the trial was such that how that restitution has been made, it should be lessened."

Heckenkamp criticized the

Granite City PRESS-RECORD Page 22 Thurs., Oct. 11, 1962

minimum-maximum sentencing of Hodge as "destroying the efficiency of the board." He emphasized that Hodge "has been a model prisoner in the more than six years he has served."

"Menard prison," he continued, "has been a better place because of Hodge. He has been besieged to write the history of his life in prison but he steadily declines to accept offers for him to do so even though they would have been of financial benefit to him."

"The past years in prison have humbled Hodge as men have never been humbled."

Helping Other Prisoners
Heckenkamp quoted Menard Warden Ross Randolph as saying Hodge has been rehabilitated, adding "it is difficult to rehabilitate while in prison but his greatest manifestation is the way Hodge has oriented himself to prison life and has helped other prisoners. He has paid for his crime to the state and he should be permitted to spend the rest of his life with his family."

Heckenkamp said he did not argue with the "double standard of justice" for a government official convicted of a crime and with a lesser person convicted of a crime. "But after they are in prison each prisoner should have a right to the same treatment."

"Hodge," the attorney continued, "is not a well man." Hospital Treatment Last Week
He quoted the prison medical staff. Hodge last Friday was taken to the prison hospital for

treatment of a kidney infection. He also had ulcers. Heckenkamp said, "Hodge has tried to atone by service to others and he should be permitted to spend his remaining years as a free man."

In conclusion, Heckenkamp urged the board to consider reducing Hodge's sentence from 12-15 years to 10-15 years, which he said, if approved by Gov. Kerner, would make Hodge eligible for parole on Nov. 26 this year.

Otherwise, Hodge will not be eligible for parole until August 1963.

Six Letters
Heckenkamp read six letters supporting clemency. They were from Rev. Raymond O'Connor, pastor of the Little Flower Catholic Church, Springfield; Rev. Eric Cash, Lutheran chaplain at Menard prison; Rev. David Bruce Maston, of the Granite City First United Presbyterian Church; former State Sen. Logan Giffin of Springfield and Mayors Davis of Granite City and Maers of Madison.

Rev. O'Connor wrote, "He deserves the utmost in clemency. He has paid his debt to society." Sen. Giffin wrote, "I am of the firm belief that Hodge has not only redeemed himself but has made a contribution to his fellow prisoners that he should receive favorable consideration."

Mayor Davis said, "In Orville's hometown everyone feels he has paid for his crime and has been rehabilitated and

Herman Mueller Wins Best Speaker Award

Herman Mueller was judged best speaker at the weekly dinner meeting of the Granite City Toastmasters Club Wednesday at the Smorgasbord restaurant. He also was named for the "funny" award. His topic was "Anger."

Other speakers were Marvin Dean, who spoke on "Young Speakers," and Harry Fichte, whose topic was "The Great Highway Robbery."

The critics were Dr. Claude Hiles, Charles Withers and Earl Lee.

Ray Damm was "timer and ab-suppressor." He won the "best" award for making the longest boner.

Next Wednesday is installation night for the incoming officers. It will be a ladies' night. Earl Tucker is the president-elect.

Therefore merits favorable consideration on his petition for a reduction of sentence."

Mayor Davis added that if he was not recuperating from minor surgery, he would have attended the hearing.

Madison Mayor Maers said in his letter to the board as well as to Gov. Kerner, "I have known Orville Hodge for 30 years, personally and as a fellow businessman. While I do not condone what he did, I feel that in view of the fact that he has been a model prisoner and the fact that he has made full restitution, he will again become the citizen that he formerly was."

MORE ABOUT Two Arrested Same Day

(Continued from Page 1.)

Police were asked Tuesday evening to pick up Holik for questioning.

Madison officers saw Holik get out of a taxi in the 14th block of Second street. Arresting him, they found the .38-caliber gun in his possession. Inside the cab were the .41-caliber gun and Copeland.

Statements obtained indicated that both had entered the Sportsman's Club, and that Holik had broken into the B and E office and later cashed two of the checks. Both told of taking the car from the lot.

Charges filed today named Holik in the burglary of the planning mill office and the forger of the check cashed at the restaurant. Copeland was charged with the tavern burglary.

Warrants were issued by Police Chief Barney Fraundorfer, Bridget Cross \$28,000; Aid to Retarded Children \$500; Boy Scouts \$38,510; Boys Town of Illinois \$380; Catholic Charities \$22,100; Coordinated Youth of Illinois \$17,796; Girl Scouts \$15,530; Health Services Fund \$300; Illinois Children's Home and Aid Society \$250; Madison County Mental Health Clinic \$800; Protestant Welfare \$11,780; USO \$600; YMCA \$53,780; Madison Teen Town \$180; Salvation Army \$20,098; Visiting Nurse Association \$3300 and YMCA Teen Town \$8325.

Prince has identified the microfilm taken from the Sportsman's Club. He also added two men's watches and \$49 in change to the list of items taken from the establishment.

Firemen Help Dog In Dire Distress

A dog, while not involved in a fire, had need of the services of firemen.

"Fuzzy," a small black and white mongrel spitz was assisted this week by firemen at the main station, Madison avenue and 23rd street. Clinging on a round steak bone, she got it lodged firmly behind her teeth, pruned around her lower jaws. Her owner, Mrs. Emma Brinkman, 2444 Madison street, took her, bleeding and in pain, to the station.

The firemen went to the rescue on the run. They removed the bone without causing the dog any pain. As a result, Mrs. Brinkman wrote a complimentary letter to Fire Chief Elijah Breen, commending the firemen.

MORE ABOUT Talks Continuing

(Continued from Page 1.)

formal discussion, at times heated, continued from about 11:45 p.m. to 1 a.m. in the corridor area of the board offices. Board members present at various times in the discussion were President Robert Spangler, Treasurer Monroe Worthen, Homer Huber, Daniel Linder and Ralph Buske.

Teachers were cautioned against the possibility of unfairly directing their attack against Supt. Harold M. Kaiser. It was pointed out that he has "stood up for" the teachers at all private talks with the board, and that the stands taken during negotiations conform with the wishes of the board.

Board members said many teachers and citizens apparently do not have an accurate picture of board decisions relating to the teachers' agreement. Members of the committee disagreed, saying all the facts have been presented at Teachers' Federation and Trades Council meetings.

Additional negotiations took place during the lunch period yesterday, and progress made was discussed at a Federation meeting held after the close of school Wednesday.

MORE ABOUT 'Invasion' Ship Ready

(Continued from Page 1.)

There has been some pre-invasion activity already, especially in the Commercial Task Force.

The first report of increased giving by a sizeable employee group or major firm was received today by the United Fund, according to Admiral John McBride, general campaign chairman.

Bank Pledge Up 16.4%
Granite City Trust & Savings Bank, its executives and employees have subscribed a total of \$322 to the current campaign, an increase of 16.4%.

"This is a most encouraging report which reflects the generosity and civic spirit of the important unit of the Commercial section of the campaign," McBride said.

The 17 appeals included in the drive for 1963 operating funds are as follows: American Red Cross \$28,000; Aid to Retarded Children \$500; Boy Scouts \$38,510; Boys Town of Illinois \$380; Catholic Charities \$22,100; Coordinated Youth of Illinois \$17,796; Girl Scouts \$15,530; Health Services Fund \$300; Illinois Children's Home and Aid Society \$250; Madison County Mental Health Clinic \$800; Protestant Welfare \$11,780; USO \$600; YMCA \$53,780; Madison Teen Town \$180; Salvation Army \$20,098; Visiting Nurse Association \$3300 and YMCA Teen Town \$8325.

To Discuss Association With Author Faulkner

"My Neighbor, William Faulkner," will be the subject of a talk Saturday at 8:15 p.m. by Southern Illinois University Professor H. Bruce Brubaker before the Athenaeum, English club at the SIU Alton residence center. Brubaker will recount his firsthand associations with the late Nobel and Pulitzer prize author when they lived in the same neighborhood in Oxford, Miss., where Brubaker was professor of education and director of the University high school at the University of Mississippi from 1952 to 1959. The talk will be delivered in the student union lounge and is open to the public.

Local Attorneys To Attend Bar Meeting

Several local attorneys are expected to attend the 46th annual meeting of the Second District Association of Local Bar Associations Monday at Lawrenceville. Local arrangements are to be made. The session is part of an annual "lawyer-caravan" which covers each of the seven supreme court districts each fall. The second district includes Madison county. Justice Harry B. Hershey of the Illinois supreme court and Illinois State Bar Association President Mason Bull of Morrisville will be the principal speakers.

Gym Floor, Damaged By Water, Being Repaired

Repairs are being made to the floor of the girls' gymnasium at Granite City high school as a result of weekend rain. It was reported at Tuesday night's school board meeting: A defective gutter inside the gymnasium wall, which permitted water to reach the soft pine floor, has been repaired temporarily and bids will be sought to relocate the downspout. The moisture caused wood blocks, wired together to form the gym floor, to expand and rise about two feet above the normal level in some areas. Some of the blocks have been removed, and repairs will be completed as soon as the wood dries thoroughly. It was the first time the girls' gym floor has been damaged; rain entering around windows caused a similar problem at the boys' gymnasium several years ago.

Dairy-Teamsters Plan New Contract Talks

A meeting is to be held early next week between representatives of Dressel Young Dairy Co. and Local 525 of the Teamsters & Chauffeurs Union to discuss a new contract to cover the firm's drivers. Negotiations for the past began last month, after an agreement covering inside workers at the dairy had been signed. Approximately 25 driver-salesmen employed by the dairy are represented by Local 525.

Young Burglars Caught After Ransacking Spree

Three juveniles, ages 16, 12 and 7, were referred to youth authorities by Granite City police. Their apprehension cleared up a series of house and auto ransacking. The eldest of the three was under the jurisdiction of the state youth commission and was returned to Illinois youth authorities. In a spree last Friday night the boys ransacked three autos and the garage of Clarence Baumeier, 2111 Bryan avenue. Earlier that evening the two younger boys ransacked the Baumeier house and basement. A month ago, the 12-year-old said, he entered another home on Bryan avenue.

Collinsville Youth Charged

James Jackson, 17, of Collinsville, was charged with careless driving following a traffic accident about midnight Wednesday. The auto he was driving went out of control and struck an auto belonging to Harry Chiam, 2537 Madison avenue, which was parked in front of the owner's home. The impact caused Chiam's auto to strike a tree.

Rate Hearing For Water Co. Continues

(Special from Springfield) Testimony that replacement costs submitted by East St. Louis & Interurban Water Co. were a million dollars "too much," was given today by Miss Susan Bohnen, Chicago attorney and consultant adviser for the Illinois Commerce Commission. The hearing on a proposed 47% rate increase sought by the water company was resumed yesterday before ICC Examiner Martin Dolan, and further testimony

Granite City PRESS-RECORD Thurs., Oct. 11, 1962 Page 23

many is to be presented next Monday and Tuesday. Two staff engineers for the ICC are scheduled to testify next Monday. The commission is expected to finish the hearings by Tuesday and hand down a decision the week of Nov. 12. Charles Bane, attorney for the utility, today challenged a number of the 25 exhibits presented by Miss Bohnen. He continued to cross-examine her today.

86 Relief Cases In Venice Twp.

Venice township relief cases increased to 86 during September, compared to 79 in August, a monthly report disclosed today.

The 86 families aided included 170 persons, compared to 141 people in August. In September 1961, the caseload totaled 95 and 251 persons were assisted.

Costs listed for September were \$4262, compared to relief expenditures of \$5766 in August 1962 and \$4748 in September 1961.

A listing of the number of families on relief in Venice township shows 82 in September 1957, 167 in September 1958, 108 in September 1959, 103 in September 1960, 95 in September 1961 and the current 86.

GC Optimists Discuss Youth Projects

The Twilight Optimist club's football and soccer programs are being operated on a larger scale this year. It was reported Monday night about 85 boys, twice as many as last year, are taking part in football and soccer play has begun.

Fifteen Optimists attended the meeting at the Rose Bowl restaurant. Instead of the usual program, a business meeting was held with discussion of current and future projects. Plans were made to carry out the annual Christmas tree sale in conjunction with the other two Optimist clubs in Granite City. Proceeds are used for youth work.

It also was decided to paint and repair the station wagon the club purchased two years ago for the use of retarded children.

GC Boy, 4, Injured In Fall On License Plate

Joseph C. Meade, four, son of Mr. and Mrs. Joseph Meade of 2457 Hodges avenue, received treatment at the St. Elizabeth Hospital emergency room Monday for a long laceration to his right thigh. He was released after treatment.

His father said the child was playing on the rear of a neighbor's station wagon when he fell, slashing his leg on the license plate. Thirteen stitches were required to close the wound.

Guidance Counselor Training Available

Special emphasis is being placed today on youth guidance as a means of preventing juvenile delinquency and youth unemployment, according to Southern University Professor Cameron W. Meredith. As the effectiveness of guidance programs becomes more apparent, so does the demand by public schools for more guidance counselors, SIU reports.

President Kennedy has urged expanded programs as a means of preventing youth unemployment and juvenile delinquency.

To meet the challenge at SIU's local area campus, 14 faculty members are teaching 25 different graduate and undergraduate courses in guidance for a total of 60 class sections during the 1962-63 academic year.

A master of science degree in guidance with an academic concentration in guidance is among the graduate programs available at the area SIU campus.

Two staff members were added this year with the rank of professor to meet the ever-expanding university program. They are Dr. Glenn R. Rasmussen and Dr. Daniel W. Soper.

Dr. Rasmussen received his doctorate in educational psychology from the University of Michigan and came to SIU from the University of Michigan's Flint College where he was associate professor in educational psychology and director of secondary education. He will inaugurate two new courses in guidance and psychology.

Dr. Soper received his Ph.D. degree in clinical psychology and developmental psychology from Syracuse University. He came to this area from the University of Florida where he taught courses in counseling and worked with gifted children.

Scouting Orientation
An "Orientation to Scouting" course is to be held in Granite City Oct. 22, according to River Bluffs Girl Scout Council officials. A prerequisite to basic leadership training, the course is scheduled for 7:30-10 p.m. at the Niedringhaus Memorial Methodist Church.

Oct. 31 Deadline For License Reassignment

Oct. 31 is the deadline for Illinois motorists to apply for reassignment of their present license number on 1963 plates, according to Secretary of State Charles F. Carpenter.

Under provisions of state motor vehicle regulations, motorists are given the right to retain their number from year to year only if they apply before Nov. 1 and request reassignment. There is no charge for reassignment, Carpenter said.

EXCITING! GO '63 CHEVY II

SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

City Receives Notice Of Oct. 25 Pollution Hearing

Granite City has been notified officially that its officers are to appear before the state Sanitary Water Board at Springfield for a hearing at 10 a.m. Thursday, Oct. 25.

The notice, received at the mayor's office, has been referred to City Atty. John Girsch, and is to be presented to the council at a special meeting set for 7:30 this evening at the city hall. It calls for the city to show cause why it should not be ordered to halt the pollution of the Mississippi River.

The call for the special session went out to the aldermen last Friday above the signature of Mayor Davis, who returned home this past Monday afternoon from Jewish Hospital, St. Louis.

Purpose of the special session is to canvass the votes of last week's special election in which a \$10,000,000 revenue bond was for drainage and pollution abatement was defeated by 2002 votes.

Also at tonight's council session, a "special emergency committee" is to be appointed "to take necessary steps to abide by the order of the Sanitary Water Board." An order to abate pollution is anticipated after the Oct. 25 hearing.

SWIM TEAM MOTHERS CLUB ELECTS OFFICERS

The first regular meeting of the Mothers Club for Paddlers pool swim team was held Sunday afternoon in the 300 room at Big Top Bowl.

Bill Kinder, guest speaker for the afternoon, informed the mothers of the needs and advantages of such an organization, and of the winter training program he will conduct when the team begins its practices next Sunday afternoon at the YMCA. He will be the trainer and coach for the next season.

Several projects were discussed by the members to aid in supporting the team during the winter months and supplying equipment. It will need now and in the summer season.

Officers elected for the coming season were: president, Mrs. Donna Hogan; vice-president, Mrs. Mary Tarpoff; secretary, Mrs. Adele Zahn; and treasurer, Mrs. Mary Jessor.

The following committees were appointed after the election: finance, Mesdames Doris Daigert, Doris Thompson, Ruth Malottki and Shirley Thompson; chapters, Mesdames Harriet Evers and Catherine Hoff; representatives, Mesdames Valerie Evenden and Ruby Barker, who were appointed to attend the conference meeting and the Paddlers board of directors meetings; and the committee on rules and regulations for the club, Mesdames Jackie Spinks, Edith McGee and Candy Kawala.

Other members present were Mesdames Betty Caldwell, Betty Bickhaus, Georgia Snelson, Dorothy Gitch, Doris Nichol, Shirley Gitch, Melba Tarpoff, LaVerne Gitch, Jean Dunn, Frances Ostrega and Frances Hartman.

The next regular meeting will be held at the YMCA on Oct. 28 at 1:30 p.m., and all mothers of the swim team are being asked to attend.

Mr. and Mrs. Emil Danotte, 2301 Missouri Avenue, returned home late Sunday evening after a weekend spent in Rolla, Mo., visiting their son and daughter-in-law, Mr. and Mrs. E. "Skip" Danotte. They attended a cross-country meet between the Missouri School of Mines and Lincoln, in which their son was winner of second-place in the three-mile run.

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

With the present acreage limits on wheat, it will make good sense—as well as add to your profits—to grow wheat as efficiently as possible.

Wheat needs phosphate that is quickly available. If the soil test is in the low range, broadcast a liberal amount of phosphate for the wheat to use and also to build up the soil supply for the alfalfa or clover that is usually seeded with wheat. Even at a fairly high P1 test, drill 30 to 60 pounds of available P205 to 27 pounds of phosphorus.

With nitrogen, you have two major and one minor decisions to make. The amount, the time to apply and the kind of fertilizer you use may mean the difference between break-even and profit. At present prices, one bushel of wheat buys 15 to 20 pounds of nitrogen. Of course, application costs enter into the picture. But generally you will improve your margin of profit if you can get an extra bushel per 15 pounds of nitrogen, since all other costs remain the same.

The amount of nitrogen you apply will depend on your seeding practices. Use 10 to 20 pounds more nitrogen per acre for wheat seeded alone than for wheat that has an alfalfa or clover seedling. Your best guide is your experience and estimate of the nitrogen level of the wheat field this fall. Here, consider how much organic matter has been added in legumes or manure in the past two years and whether wheat has grown too tall and lodged in the field.

There's no single best time to apply nitrogen. If you're reasonably sure you can get on the field in late February or early March, apply most of your nitrogen then. On sandy soils, never apply in the fall. Apply only in early spring. On claypan soils, probably late winter before frost goes out—is the best time to apply nitrogen, although you run the risk of an early thaw and wet field when you'll have no chance to apply.

All kinds rate about equally well, so the kind you choose will depend on availability and cost of application. What about using anhydrous ammonia before planting in the fall? Limited research looks promising. Try it on part of your acreage, applying in 20-inch rows, and see how it does.

You're probably just becoming acquainted with an unnoticed visitor that's been around all summer. With the cool weather of early fall, boxelder bugs start their annual migration in search

Granite City PRESS-RECORD

Thurs., Oct. 11, 1962 Page 27

of warmer quarters. Often they find their way into homes, where they're a definite nuisance.

Boxelder bugs do not feed on either food or cloth. Their main food is boxelder seeds. But they do spot curtains and wallpaper. Taking out all seed-bearing boxelder trees in your community would help, but might not eliminate the boxelder bug problem. Thoroughly spraying insecticides on the trunks and the ground around the trunks of seed-bearing boxelder trees when you see the bugs is one part of controlling these pests. In addition, spray the sides and foundation of the house and a three-foot strip of soil around the house. One precaution—spray the soil, not flowers or shrubs. Later this winter and early spring—you can spray the side of the house if you see more boxelder bugs.

For quick kills, use a 1/2 percent lindane spray applied to the point of runoff. To make this spray, mix 1/2 pint of 20 percent lindane concentrate in 2 1/2 gallons of water. You will also get good control with a 1/4 percent dieldrin spray. Make this spray by mixing 1/4 pint of 15 percent concentrate in 2 gallons of water. You may have to apply either of these sprays at two-to-three week intervals.

In side the house, a vacuum cleaner works well in picking up stray boxelder bugs. Pyrethrin household sprays also give quick kills, but use them only in severe cases in the house.

Fire Prevention Week is being observed nationally this week. The best time to think about fire on your farm is before it happens. Those who do give it some thought beforehand are least likely to have a fire. How does your farm measure up to this "before the fire" checklist?

1. Know how to call the fire department; post your fire department number and exchange at the telephone. Make sure your fire department is familiar with the layout of your farm, house and barn exits, and location of water supplies.

2. Check condition of heating equipment including chimneys and flues. Make all repairs necessary for safe operation.

3. Check electric wiring for wear and loads—replace worn and inadequate wiring; use only 15-ampere fuses unless a circuit has been specially designed for higher loads.

4. Your fire fighting tools should be easily accessible in an emergency. Have ladders always ready for escape and fighting roof fires.

5. Have the right extinguishers in the right place. Check them frequently and recharge; protect them from freezing where necessary.

6. Always keep cistern (and stock pond) safely full for fire fighting. Make sure water supplies are accessible.

During Fire Prevention Week make a new start towards complete fire safety on your property, and keep headed that way throughout the year.

Don't be too critical of others endeavors—always work with the construction crew, not the wrecking gang.

Bulb Planting Time With Prize Crop

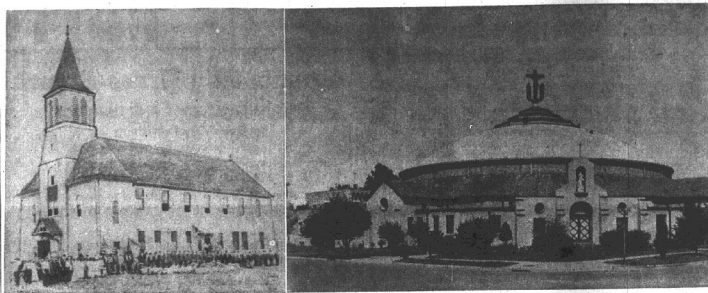

By Mrs. Elaine P. Wendler
Madison County Home Adviser

University of Illinois

FALL IS TIME TO PLANT SPRING-FLOWERING BULBS

It's bulb planting time again. As reliably as the return of fall, the spring-flowering bulbs arrive each year from Holland—tulips, hyacinths, daffodils, crocuses and the other "little bulbs" that hold the promise of so many weeks of flowering beauty and pleasure next spring. Bulb deliveries this year were delayed by the cold weather in Holland. By now, however, the Dutch exporters have caught up with shipments, and you can expect to find your favorite bulbs when you want them for planting this fall. The unusually cold weather has produced a real bonus in quality.

The Associated Bulb Growers of Holland report that this year's crop is one of the best in history. Bulb flowers need and like cold weather. This is one season tulips and other spring-flowering bulbs are so easy to grow. Winter cold acts to produce hardy, strong flowers in the spring.

Bulbs must be planted in the fall. They need time to their roots in the ground to begin root development before growth is stopped by cold weather. Bulb planting is easy, and may be done any time after the bulbs

arrive until the ground becomes too hard to dig in. And bulbs are so hardy that some gardeners have been known to get fine flowers in the Spring even when they plant them so late in fall or early in winter that they needed a pickaxe to break up the soil.

Crocus, Galanthus, Muscari and other "little bulbs" are planted three inches deep and three inches apart. They are known as "little bulbs" because they are smaller than tulips, hyacinth or daffodil bulbs. Bulbs need well-drained soil.

which will be celebrated with Golden Jubilee activities this weekend. The church, at Tenth street and Alton avenue, is topped by one of the largest actual domes in the world and surmounted by a hand-carved crucifixion group with a 15-foot cross.

If your garden soil is unusually heavy, you can improve it by mixing in sand, fine cinders or peat. The sand or peat should be spaded in to a depth of eight or ten inches.

Your dreams will never come true unless you wake up.

Area Auto Crashes Top 1200 Mark For Year

Quad-City area traffic accidents have passed the 1200 mark already this year. A September tally of 151 boosted the 1962 total to 1211, a review of current traffic records showed today.

Only once before has the toll topped 1200 within the first three-quarters of a year. This was in 1960, when the total was 1237 as of Sept. 30. At year's end, the figure was 1731, which is still the record.

Last year, there were 1196 collisions in the first nine months and 1653 for the entire year.

September Area Traffic Tally

1962	Accidents	Injuries	Deaths
1961	151	69	1
1960	143	79	1
1959	133	68	0
1958	122	49	4
1957	120	45	4
1956	131	48	3
1955	109	62	1
1954	129	61	3
1953	100	33	7
1952	65	46	3

Deaths still are topped by the 44 tabulation in 1954. Subsequent yearly figures were 26, 27, 28, 23, 24, 19 and 21 in 1961, 1962.

The 1962 fatalities stand at 15, including one during September. Moses Connor, 74, Madison, died Sept. 21 of injuries received Sept. 11 when his pickup truck collided with an auto at Illinois Route 111 and State Aid Route 35.

Four Local Youths At Great Lakes Training Center

David L. Jaeger, son of Mr. and Mrs. William H. Jaeger of 3441 Lydia lane, Daniel R. Filler, son of Mr. and Mrs. Martin Filler of 1702 Kirkpatrick homes; Terry L. Tisworth, son of Mr. and Mrs. Paul H. Tisworth of 2722 Myrtle avenue and Thomas E. Ryan, son of Mr. and Mrs. Earl E. Kiwanis Election Held; Club Hears Humors

The Granite City Kiwanis Club has a new slate of officers-elect.

An election was held Monday after the nominating committee presented its list of nominees, all of whom were elected unanimously.

The officers-elect are Eugene Frey, president; Harry Marshall, first vice-president; Joseph Acquaviva, second vice-president; Allen Jesse, treasurer; William Herman, Roy Feder, Alvin G. Schmitt, Arthur Mathis, Herbert Schmitt, Arthur Mathis, and Ben Miller Jr., directors.

The president-elect will submit his choice of a secretary for the approval of the board.

The new officers will take over the administration of the club Jan. 1.

A report on the recent Illinois Eastern Iowa District Kiwanis convention in Chicago was made by Sam Wolf, the clubs official delegate. The convention was attended by about 1800 district members.

Among the district officers elected were Governor-Elect Roy Davis, whose niece, Mrs. Paul Davis, resides in Granite City. Davis will take over the governor's office in 1964.

Gordon Currie, Australian artist-humorist-television personality, was the guest speaker. His speech was designated as humorous, and carrying a message.

He is on an extended visit of the United States on a promotional tour sponsored by several of the nation's leading banking institutions.

He has dedicated his tour to U. S.-Australian friendship.

Currie said that, as the leading nation in the world, "the U. S. shouldn't expect to be loved."

He said the country's first problem is to sell America to Americans, and that Americans should be thankful for many advantages.

A combination of United States and British Commonwealth efforts can stop Communism, he said, and "we should try to retain the friendships we now have."

Following his talk, Currie drew caricatures of the club members. He was an official war correspondent and artist for the Royal Navy in the Pacific during world war II. He toured the Pacific war zone coordinating special service shows for the United States Army and organized one of the largest entertainment schemes of the war.

His illustrated columns have appeared in large metropolitan dailies in the United States and he has made hundreds of television appearances.

Fire Prevention Activity Continue All This Week

Fire Prevention Week activities are continuing this week throughout the Quad-City area under the auspices of the communities' fire departments.

The Granite City fire department is paying surprise visits to schools in the district to pull fire alarms and test evacuation procedures. Distribution of 3500 Junior Fire Marshal badges and fire prevention booklets are being made to the students. They were furnished by the Tri-Cities Independent Insurance Association.

In addition, a fire prevention banner is being given to each school and one student chosen in each room is being given a Junior Fire Marshal hat.

In Madison, inspections are being made this week at the schools for potential fire hazards. Firemen are spending their evenings distributing fire prevention literature in a house-to-house campaign.

In Venice, there will be a Fire Prevention Week program at 12:30 p.m. Friday, Oct. 19, in the public school gymnasium. The event will be open to students and the public.

Decisive 3rd Game Of I-C Playoffs At Troy Sunday

The champion of the Southwestern Illinois Inter-City Baseball League's cup playoff series will be decided Sunday at Troy, where Sacred Heart of Granite City and Pocahontas meet in the crucial third game of the post-season series.

The best two-out-of-three playoff set is all deadlocked at 1-1 after Pocahontas' 1-0 win last Sunday on the Braves' home field. Sacred Heart had won the playoff opener at Wilson Park the previous weekend, 8-7. Managers Paul Schuler of the Hearts and Dale Haber of Pocahontas will send last Sunday's hurlers in quest of a victory in Sunday's decider.

Lennie Griffiths, a one-hit pitcher last week, will go for the Braves, and John Rains, who gave up four hits in a losing effort, will pitch for the Hearts.

Game time is 2 p.m. at Moonlight diamond in Troy.

The Hearts have been competitive in the Inter-City league for four of the past seven seasons, but are still seeking for their first championship. Granite City's most recent cup victory was scored in 1960 by Mercer Funeral Home.

This year's playoffs have been as close as the scores would indicate.

Plays at the plate in the late innings of both games were decisive in their outcome. An interference call in the ninth inning of the opening game prevented Pocahontas from winning the tying run, and Schuler was cut down at the plate when he tried to score from second on an infield out in the sixth inning of last Sunday's contest.

Griffiths has held the Hearts to eight hits in pitching two complete playoff games while the Braves, with a weak 222 team batting average during the regular schedule, have reached Rains and relief pitcher Dan Reilly for 14.

Neither ballclub has fielded a home run in the playoffs. Griffiths has been charged with nine bobbles and Sacred Heart with five. Pocahontas' only run last Sunday was earned as the result of a throwing error.

In case of rain Sunday, the decisive game would be postponed one week and would be played at the same location on Oct. 21. The winner will gain possession of the President Vernon Lucas playoff cup for a year period.

Dupo Is 13-0 Winner Over MHS Grid Team

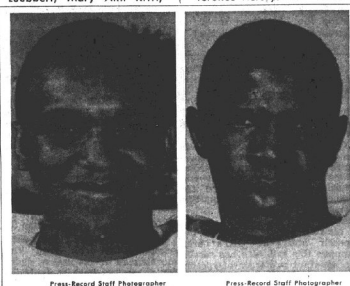

Madison's freshman-sophomore football club was blanked for the fourth straight time in Dupo Monday afternoon, where the Junior Tigers scored a 13-0 victory.

A 10-yard end sweep just before halftime and a one-yard plunge early in the third quarter gave the host team its two scores. Madison drove as deep as the Dupo 20 in the second period immediately prior to the game's first score.

Madison's offense was further stalled by three pass interceptions. Coach Bob Page cited the offensive play of halfback Paul Lusk and the defensive performance of Jesse Harris.

Madison, 0-3, will be at home to Bethalto at 7 p.m. Monday.

MHS Backs Cooper, Brown Netted 180 Yards Against Dupo

Eugene Brown, a senior fullback who is playing his first and only year of high school varsity football, and durable halfback Walt Cooper were the outstanding players for Madison in Friday's 13-13 draw with Dupo.

MHS football coach Gen Pickering said today.

Brown, carrying seven times and gaining 45 yards in the second half, had seen only spot duty previously, but will start tonight when the Trojans play at Bethalto.

"Discovered" last spring during a physical education class touch football game, the 180-pounder was convinced to try out this fall, and should take some pressure off Cooper, who has been the No. 1 target for opponent's defenses.

Cooper, scoring twice against Dupo to set his season's point total to 18, gained 135 yards in raising his four-game net yardage to 396, just shy of a 100-yard-per-game average.

A 170-pound senior who plays end on defense, Cooper was selected as a "player of the week" for the second time this fall.

Joining the top 20 scorers among 18 area high schools for the first time this week is Madison's Walt Cooper, who picked up 12 points in a 13-13 tie with Dupo and now has 19.

Fleetwood First, But Triad Wins

Triad high school barriers remained unbeaten in dual meet competition this fall by defeating Madison's cross-country club 24-32 in Madison Monday afternoon.

The Trojans' Jerry Fleetwood was all alone at the finish of the 1.870th mile course, but the Knights placed six finishers among the top 10, with Steve Giovanni second and Gary Bull third. Fleetwood's time was 9:40. Giovanni was clocked in 10:03 and Bull in 10:15.

Ollie Wright of MHS was fourth, with teammates John Summers seventh, Cassi Bell ninth and Mike Garcia 11th.

Triad runners finished 1-2-3 in a junior varsity meet with Ron Hitz, Bob Weigand and Gary Adams first across the finish line in that order as the junior Knights won 19-29.

Victor McLaughlin of Madison was fourth, Mike DeYoung fifth, Harold Pinkley eighth and Carl Marr ninth for the Trojans, who run again next Thursday afternoon in a dual meet at Roxana.

Words Important To Unions, Lecturer Says

Better communication is needed today to work out problems between management and labor, it was pointed out this

week by a Southern Illinois University lecturer in fine arts who spent the summer teaching speech to labor union members.

Problems facing unions and management are more complex than they were 20 years ago, and you have to be able to use

words to solve them," according to James M. McHale of the local area campus.

McHale's summer students at Pennsylvania State University were union members attending a labor institute.

His job at the institute was to teach parliamentary procedure and the writing of resolutions and reports. Special emphasis also was given to the democratic processes, committee work and the handling of grievances.

McHale, who joined the speech staff at SIU's area campus this fall, also has served as assistant professor of speech, theatre, radio and television at the University of Pittsburgh and as director of plays at the York Little Theatre.

A member of the American Educational Theater Association, he holds a master's degree in theater arts from Western Reserve University.

Teachers Attending Two Days Of Meetings

Public and parochial school children are having a free day from classes today while teachers attended the County Institute of Madison, St. Clair, Clinton and Bond county schools.

Sessions are being held in Granite City, Edwardsville, Collinsville, East St. Louis, Belleville and Greenville. Most children will be free again tomorrow when two other teachers conferences take place.

The administrators' conference and meetings for art teachers and science teachers are being conducted in Granite City.

Art director Eugene L. Aiasi presided this morning at a meeting of art teachers from the four counties, held at Granite City high school. There was a panel discussion by the Granite City art faculty at 9:30 a.m. on the subjects "Art" and "That's Right."

Sub-topics discussed were "How Are We to Sell Art Education?" "Public Relations (Administration of the Community)," "Classroom and Student," "Selling Concept of Practical Philosophy of Art," "Required Art Courses," and "Establishing Productive Guides."

This afternoon there are demonstrations of unique teaching techniques including welding, commercial lettering design, graphics, mixed media, weaving and action in design. Taking part are teachers Mrs. Robert Blair, Miss Virginia Bozarth, Milburn Smith, Miss Katherine Krenz, Ronald Ward, Philip Sheridan and Robert Moske.

Other Local Participation Dick Brown of the Madison school system took part this morning in a discussion group for counselors held at Belleville Township high school.

M. A. Wittevoegel of Granite City presided this morning at an industrial arts conference at Troy high school.

There was a panel discussion on pre-employment preparation. This afternoon, James Reid of Coolidge junior high school is taking part in a panel discussion on industrial arts programming and organization.

Louis Meek of Granite City presided at the hand sight reading conference at Webster junior high school, Collinsville.

The Rev. Vernie Barnett of Niederrhein Memorial Methodist Church gave the invocation at 9:30 a.m. at the grades 7-12 science conference, at Granite City high school. Topics included "Project Mercury" and "Does Science Meet the Needs of Today?" Various topics were taken up this afternoon in panel discussions.

Miss Lucille Coulter of Coolidge junior high school is taking part in group discussions this afternoon at the Illinois Council of Mathematics conference at Edwardsville junior high school at Edwardsville. It is being attended by teachers of the four counties.

Dr. Harold M. Kaiser, Granite City school superintendent is presiding at the all-day administrators' conference for the four counties, being conducted at

Granite City high school. Dr. Charles Mathews of SIU is the speaker. Panel discussions are being conducted on various topics. The Rev. Robert Beatty, president of the Quad-Cities Ministerial association, and pastor of the First Church of the Nazarene, assisted by giving the invocation.

Tomorrow's Events Friday, the Marquette division of the Illinois Education association will hold its annual meeting at West junior high school in Alton. Public school teachers from Madison, Jersey, Greene, Calhoun and Bond counties and from some of the parochial schools will attend.

Harold Briggs of Granite City is a member of the executive committee of the board of directors.

There are three main speakers on the program. Dr. Marguerite Fisher, associate professor of political science at Syracuse University, who will speak on "Education and Cultural Change," a representative of McDonnell Aircraft Corp. who will speak on the man in space program, and the Rev. Trafford P. Maher, S.J., of St. Louis University, whose topic is "Forming the Intellectual Through Books."

Fr. Maher is a presidential appointee to the chairmanship of the Missouri Advisory Board to the Federal Commission on Civil Rights.

There will be an opportunity for teachers to confer on individual matters concerning insurance, retirement, survivor benefits and other topics with W. J. Gorman, field associate of the Illinois Education Association.

Students of the public schools and St. Mary's Catholic school will be excused from school Friday that the teachers may attend the meeting. All other parochial schools in the area will have school as usual on Friday.

AFT Conference Teachers not attending the IEA meeting have the option of attending the fourth annual education conference of the American Federation of Teachers.

can Federation of Teachers. It will be held at East St. Louis high school.

An all-day event, it will begin at 8 a.m. with a social hour. William Smedecor, national vice-president, and president of this division, will open the business session at 9 a.m. Mayor Charles E. Nichols of Belleville will greet the teachers and deliver opening remarks.

Kenneth Langer, vice-president of the district and president of the federation of teachers at Belleville, will be master of ceremonies.

Dr. Cameron Meredith of Southern Illinois University will deliver the first address. His topic is "The Challenge of Educational Change — Year Round School."

Ray Page, candidate for state superintendent of public instruction, will speak on the topic "Views on Education."

The space vehicle engineering program will be discussed next by Frederic H. Roever, an engineer representing McDonnell Aircraft Corp.

The Latin American Rhythm Ensembles of Coolidge junior high school will entertain with a half hour program beginning at 11 a.m. They will perform under the direction of Robert D. Todd.

National vice-president of the American Federation of Teachers John M. Fewkes will deliver a 25th anniversary message.

In the afternoon Alan Dixon, state representative from Belleville will speak about the 1963 general assembly.

Last Of Township School Trustee Funds Transferred

Of the \$34,034 left in the Venice township school trustees' treasury after elimination of the trustee system effective July 1, the Madison school district has received \$17,063. Granite City schools \$10,384 and the Venice district \$6,584. Choose School Supt. Wilbur R. L. Trimpe has announced.

Due to a state law which halted the previous system, funds are now the direct responsibility of school boards. Each school board appoints a treasurer, in contrast to the former procedure of a treasurer being named by the township school trustees. In correspondence with John Bridick, former Venice township school treasurer, and the former Venice township school trustees, who were designated as land commissioners in a special election during the summer, Trimpe outlined the distribution. In complying with the suggested division, the commissioners and trustees have gone out of existence.

"Since the principal sum of the Loanable Fund is distributed in accordance with the average daily attendance ending June 30 of the preceding year, all students in grades one through eight residing in that township to the above school districts, we find that the reports from these school districts are as follows: Venice unit district, 541 average daily attendance, 16.18%; Madison, 1468 attendance, 43.88%; and Granite City, 1336 attendance, 39.94%," Trimpe said.

The two-week setting lists 52 cases to be tried.

The principal sum of the Township Loanable Fund according to the records amounts to \$26,638. The disbursements amount to \$638, leaving a balance of \$26,000. Venice \$4200, Madison \$11,408 and Granite City \$10,384.

"The earnings which should have been used previously to defray the expenses of the township treasurer amount to \$8034 according to your records. This amount shall be distributed between the Madison and Venice districts proportionately in the amount that they contributed to finance your office during the past few years—average per centages of 39.41% and 43.88%."

\$3657 to Madison district, \$2377 to Venice district. Expenses were \$2000 in 1959-60 and \$3500 in 1961-62.

GC Realtor Board Outlines Home Buyers Location Needs

Location plays an important role in the selection of a home, it was brought out this week by the Granite City Board of Realtors. In its second article on "How to Buy a Home,"

A "Mr. Home Buyer" gave a local Realtor the following location requirements: "We want a home near schools, church and a shopping area, a short distance from transportation, with a large lawn, a lot of shade trees and nice, friendly people living next door."

Local Realtors point out that while a large order like that is not impossible to fill, it does often require compromises on the part of the prospective home buyer.

"Mr. Buyer, nevertheless, was on the right track," the board of Realtors stresses. "Since location plays such an important role in the selection of a home, it is a good idea to be specific about where you want to live and the conveniences you want to find in a neighborhood."

Neighborhoods Have Character

"Neighborhoods have a character of their own, which the prospective buyer should take time to investigate in order to find out how it fits in with his own desires."

"While your Realtor, a member of the local real estate board and the National Association of Real Estate Boards, can fill you in on many facts about the neighborhood, some families prefer to do a little checking on their own just to get the 'feel' of the area, like they do before they purchase any commodity."

"To do this, it is a good idea to drive or walk around the neighborhood at night as well as in the daytime—in good weather as well as bad. Talk with people living in the area, note how long they have lived there and if they plant to stay."

"Good neighbors are those whose living habits and interests generally parallel yours. Try to judge the standard of living that prevails in the area by noting the size and appearance of the houses, the conditions of lawns

and the types of cars parked there."

"The appearance of property is an important factor in determining the value of your own investment. Check the appearance of the property and see if it appears well maintained. If residents seem proud of their property and keep it neat, trim, and attractive."

Zoning Laws Important

"Also important in regard to protecting your investment are zoning laws in existence in the community. These can guarantee that a neighborhood will not be destroyed by the introduction of undesirable commercial establishments."

"What about new highway plans? Future construction may have a profound effect on your area—maybe good—but possibly bad."

"Check as to what transportation facilities are available nearby. If members of the family travel to work each day, it may be that you will want to be near a bus line. On the other hand, if your family is particularly sensitive to street noise, you may prefer to walk several blocks to the main thoroughfare each day and enjoy the quiet of a side street near your home."

"If you have school-age children and want them to go to a particular school, be sure the home in which you are interested is within the limits of that school's district. If you participate actively in church affairs, you will want to be sure that a church of your denomination is within a reasonable distance of your future home."

"Investigate the area for its proximity to shopping centers, libraries, movie theatres, parks and other recreational areas. Note whether or not streets are well maintained and lighted by the city, have good drainage and are patrolled by police."

"To facilitate the search for a home, the prospective buyer should place his needs in the hands of a Realtor. He can help you check out the neighborhood by providing answers to many of your questions," the local board stated.

Construction Permits Just Over Demolition

A single razing permit issued at city hall covers work costing almost as much as all the Granite City building permits issued in the period of a week. The razing permit for the demolition of the old Stevens Hotel at 19th street and Cleveland blvd. cost \$2,000. The razing permit for work estimated at \$6,000, while building permits issued totaled \$2,872. Of the latter figure, \$2,872 was for garages or carport while the remainder covered home repair or improvement projects.

The razing permit, issued by City Building Inspector Earl Bloomquist, was received by George W. Longfellow Co., Inc., Alton. The firm has started demolition of the old hotel to make way for a new Travelodge motel.

H. E. Schaefer received a permit for a \$1699 garage at 2245 Lynch avenue, and Howard Winter received a permit for a \$2,000 garage at 2113 Clark avenue. A permit for an \$1182 carport and patio at 2447 Cleveland blvd. was received by C. E. Statton. Joe Woods received a permit for a garage extension at 1509 Adams street costing \$800.

Home improvement and repair permits included one issued to Chester Egleby for a \$2000 project at 2609 Center street. Others went to David Foote, \$400, at 1331 Edwardsville road; Harold Dorries, \$500, at 9 Rivera drive; Fred Orr, \$300, at 2430 Lynch avenue; and Paul Walsh, \$100, at 2825 Dogwood drive.

Street Workers Installed 3226 Feet Of Sidewalk

Street department employees emptied downtown trash containers, cleaned catch basins and operated graders in alleys and the street sweeper.

It was reported the department has installed 3226 feet of new sidewalk during the city's current fiscal year.

Street workers began to prepare for winter this week by unloading shipments of rock salt for streets.

Sesquicentennial Profit Is \$3000

Profits realized from the Madison county sesquicentennial celebration last month near Edwardsville, estimated at about \$3,000, will go to the Madison County Historical Society for use by that group's museum and executive committee.

Additional profit may be realized when all money collected from the sale of tickets by queen candidates and final receipts for the sale of merchandise are tabulated, he added. The sesquicentennial committee will hold its final meeting on Dec. 15 in Edwardsville.

Mitchell Convention Delegate Reports

Thomas Smith, official delegate to the recent Illinois Eastern Iowa District Kiwanis convention, reported on the event Monday to the Mitchell Kiwanis club. About 1800 district members attended to elect new officers and transact other Kiwanis business.

Ten members attended the dinner meeting and two others attended the meeting of the Granite City club. They were sent to discuss the advisability of co-sponsoring a Saturday youth bowling program. The Mitchell club already has a successful youth bowling program in operation.

It was reported that the club-owned wheel chair has been loaned to a needy person. The meeting was confined to a business session.

Shipping Shows Decline At Chain Of Rocks Locks

The height of the busy season for shipping through the Chain of Rocks Locks 27 is over. Though freight figures for the month of September are well up from those of a year ago, the usual seasonal decline has set in.

September figures show fewer vessels, lockages and tons of freight since April. It still was the busiest September on record for the locks, however.

A total of 2,591,738 tons of freight passed through the locks in 4100 vessels.

The breakdown of tonnage was as follows:
Upbound—petroleum products 518,330; grain 5500; coal 615,650; sulphur 60,100; miscellaneous commodities 264,946; iron and steel products 14,300 and chemicals 87,100. Total 1,569,546.

Down — petroleum products 125,400; grain 746,100; coal 9000; sulphur none; miscellaneous commodities 48,170; iron and steel products 77,264; and chemicals 20,528. Total 1,215,170.

Of the total 2,591,738 tons, commercial freight amounted to 2,591,063 tons and government freight amounted to 675 tons.

In the commercial vessel class there were 753 towboats, seven passenger boats, 2962 barges, no small craft and no U. S. contractor's boats. There were 358 private recreation boats. In the government vessel class there were two tow boats, 10 barges and 10 patrol boats.

Total this year through September were 21,304,951 tons of freight, up 3,111,182 tons over the same period last year; 33,831 vessels, up 4200; and 7157 lockages, up 557.

September lockages totaled 844, up 13 over September 1961.

'GO-Party' Tickets On Sale For Oct. 18 Event

Ticket sales for the Madison
county "GO-Party" are being
handled locally by Republican
City Chairman C. Luther Rud-
der, who said today the top at-
traction will be George Murphy,
Hollywood star, as master of
ceremonies.

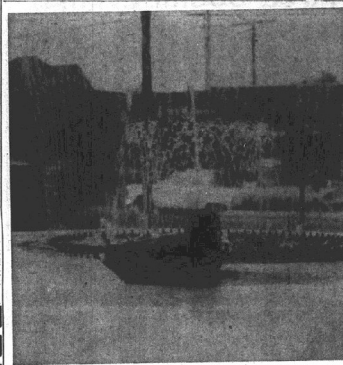

The fund-raising "GO-Party"
will be held next Thursday eve-
ning at the Wood River high
school gymnasium, starting at
8:15.

Also on the entertainment bill
are vocalist Pearl Bailey; Edgar
Bergen "and his friends;" re-
cording stars, The Andrews Sis-
ters; television and night club
comedian, Jackie Mason; a song
and dance trio, the Rhythm
Kings, and a 13-piece Hollywood
orchestra.

"This new way of raising funds
for the Republican party is being
tried out for the first time in
five cities in Illinois, including
Wood River in Madison county,"
Rudder said. Other appearances
will be in Rock Island, East St.
Louis at the Ains Temple next
Tuesday, Bloomington and
Springfield.

"Madison county and GOP or-
ganizations in other counties
participating in the events will
receive the benefits. Of the re-
ceipts from the sale of new mem-
berships in the United Republi-
can Fund, 50% is to go to the
Madison County Central Com-
mittee to be used to aid candi-
dates on the local level in the
Nov. 6 election," Rudder ex-
plained.

The memberships may be ob-
tained from Republican precinct
committees and women and
at the party's headquarters at the Mineral Springs Hotel in Al-
ton.

12,900 Daily Crossings On McKinley Bridge In 1961-62

Traffic over the McKinley Bridge shattered all records in the fiscal year just ended. Crossings between Oct. 1, 1961, and Sept. 30, 1962, totaled 4,742,888. It was announced today.

Purchased by the city of Venice on Nov. 21, 1958, the Mississippi River span had traffic of 3,278,215 in the abbreviated initial year. This rose to 3,971,979 in 1959-60 and 4,132,360 in 1960-61.

Daily average during the 314-day 1958-59 year was 10,440, compared to 10,852 the following year, 11,321 in 1960-61 and 12,994 for the year just ended. With 16,125,422 vehicle crossings since the bridge was purchased, daily average for the entire four years now stands at 11,436.

\$292,000 For City
Profit for the city amounted to \$33,588 in the first year and \$79,848 in the second year. This dipped slightly to \$79,165 despite heavier traffic in 1960-61, reflecting the full burden of basic operating and financing costs; part of the costs had been deferred in the first two years due to the effect of remodeling, and repair work, which often limited traffic in each direction to one lane.

With the one-year limit of \$100,000 being reached in 1961-62, total revenue transferred from the bridge to the city amounts to \$292,002.

\$49,000 Loan Repaid
From the \$292,002, a sum of \$49,000 was repaid to the city.

MADISON POLICE RADAR EQUIPMENT is inspected this week by (left to right) Mayor Stephen Maers, Police Chief Barney Fraundorf and Patrolman Frank Dulko. The circular device on the left side of the patrol car sends out a radar beam. The rooftop meter being operated by Dulko shows the speed of passing autos and trucks. Warnings to speed law violators will be issued while police are being trained to use the equipment; later, arrests will be made.

Family Fire Drills At Home Urged By Fire Departments

Fire Prevention Week is underway and local fire departments and the Tri-Cities Independent Insurance Agents Association are recommending highly a practice of family fire drills.

"It's plain good sense to rid our home of fire hazards during Fire Prevention Week and all other weeks," the chiefs point out.

"But for your family's safety, a most important action is to prepare for fire emergencies.

"Schools hold fire drills, theaters and other public places have planned, clearly marked exits.

"In our homes, where fires killed over 6000 persons last year, far too many families have done no thinking whatever about what to do if fire should strike."

The chiefs stress the protection of family by advance preparation. "Make life-saving escape plans now. Then hold family fire drills regularly, with children in-

Local Lodgemen Attend Chicago Celebration
Nine local lodge officers returned early this week from Chicago, where they attended "American Masonic Heritage Week" activities.

The week was highlighted by dedication of a monument to George Washington, Robert Morris and Haym Salomon in Herald Square. The three revolutionary leaders were Masons.

Local men attending were from Masonic Lodge 877 and Triple Lodge 833.

John Hutton, worshipful master; Harold Davis, senior warden; Clinton Barnhart, junior warden; and grand lodge commander Larry Lockhart and George Malotlik represented Lodge 877.

Triple Lodge members attending were John Hamm, worshipful master; Eugene Ross, senior warden; Roger Ward, junior warden; and William Mohl, treasurer.

Mikolaszuk Takes Part in NATO Exercise
Army Specialist Four Stanley Mikolaszuk, son of Mr. and Mrs. Alex Mikolaszuk, 1226 Douglas street, Madison, recently participated in FALLEX, a large-scale NATO exercise in Germany.

The ten-day exercise ended late in September. FALLEX is an annual exercise designed to test the overall combat readiness and effectiveness of NATO forces in Europe.

Specialist Mikolaszuk, assigned to the 36th Artillery Group's Headquarters Battery in Barmenhausen, entered the Army in November 1959. He completed basic training at Fort Ord, Calif., and arrived overseas in April 1960.

He attended Madison high school.

Tickets On Sale For GCHS Annual Alumni Banquet

Tickets now are on sale for the annual Homecoming banquet given by the Granite City high school Alumni Association.

The banquet will be held at 6:15 p.m. Wednesday, Oct. 24, at the school cafeteria. The theme this year is "Premiere Night" with a Broadway night club setting. A musical review will be staged.

The Alumni Association is offering a package plan along with the ticket sale. It will include for \$4 a year's membership, the banquet and a reserved seat for the annual Homecoming play and queen coronation. A limit of 200 reserved seats is available for the play and coronation on a first-come-first-served basis.

For those who will not attend the Homecoming play, the price is \$3.25 for the dinner and 9 years membership in the Alumni Association.

Miss Mary Blackburn, speech instructor, will be guest of honor at the banquet, and all former Homecoming queens are being urged to attend.

Tickets are available from members of the association. The officers are — Earl Parsons, president; Orville Ganz, Ralph Monken and Daniel Erwin, vice-presidents; Mrs. Gail Gargac, secretary, and Mrs. Eva Meier, treasurer.

'Y' Has Varied Program For Persons Of All Ages

Next year, the YMCA will operate on a \$108,691 budget, of which \$62,105 has been earmarked by the United Fund for "Y" activities. The remainder will come from private donations, memberships, fees, dormitory rent, club room rental and other minor sources.

The function of the "Y" is to develop and maintain certain standards in character building according to Chester A. "Bud" McMillan, general secretary. In order to carry out this function an ever-expanding program of activities has been developed for persons of all ages.

Doors Never Close

There are activities for small children, teenagers, adults and senior citizens. The doors of the "Y" are never closed.

A staff of nine perform the administrative functions and six others perform maintenance and household duties. Numerous others assist on a part-time basis as instructors, pool guards or desk clerks.

In 1961 there were 2141 persons registered in the various YMCA programs. The figure does not include those who took part in gymnasium classes or who resided in the dormitory. This year's figure will be about the same, it is expected.

\$8233 For Teen Town

The United Fund allotment will include \$8233 for Teen Town. The Teen Town council plans all the Friday night dances and three special dances a year.

Besides Teen Town there are the Tri-Y, Hi-Y and Tri-Hi-Y clubs and a physical department for teenagers.

Persons of school age may engage in numerous YMCA activities. Actually, there are more than 1000 actively participating in the programs that are offered.

The swimming program is among the more popular activities. Boys and girls may start as paddlers and proceed through various grades to a high level of swimming proficiency.

There also are such activities as tumbling, wrestling, judo, art, movies, hikes, basketball, camping and membership in numerous YMCA - sponsored clubs. The girls' department also has such activities as dancing classes, art instruction, ballroom dancing, crafts and roller skating.

Women's Department

A department for women carries on an intensive program of activity. Swimming is a popular subject. There are classes of instruction for the ladies, recreational swims, mother-of-the-year swims, family swims, life saving instruction and water safety classes.

Other activities include golf, bridge, crafts, volleyball and pot-luck dinners. In the gymnasium, the women take part in calisthenics, trampolines, games and roller skating.

The Slim Gym room is popular with the women. The room is equipped with a Stauffer table, vibrator belts, exercise bicycle, roller machine, jump ropes, sun lamps, steam cabinet, wall pulleys, foot massage machine, pleaser, rowing machine, stretch exerciser and vibrator belt.

Generally, the women's department has three activities - swimming, gymnasium and exercise room.

Men's Department

The Triangle Health club provides its members with complete facilities to promote health, body tone and physical conditioning. The club is the hub of many men's activities. Included are volleyball, basketball, table tennis, swimming, alcohol rubs and massage.

There is a weight-training room, locker and dressing area, dry heat room, complete weight-lifting equipment, wall weights,

vibrator belts, speed bag, sun lamp and heat lamp.

Volleyball, basketball and softball also have proved popular, as have golf, judo and fencing.

Robert Whalen, a black belt holder in judo who learned the sport in Japan as a member of the U. S. Air Force, is the instructor for the Granite City Judo club. There is also a karate class.

The club is sanctioned by the Chicago Yudasashukai and has amateur standing with the A.A.U. There are classes for men, women and children.

A fencing club also is growing in popularity. It was organized by Omer Gulor, a visiting student from Turkey who resides in the "Y" dormitory. Weapons include foil, saber and epee.

Scuba

A complete 32-hour course in scuba diving is offered. All equipment and training material is furnished for instruction. Men, women and teenagers take part.

A nationally certified instructor heads the program. The club belongs to the St. Louis Scuba Association, consisting of clubs from Granite City, Alton and St. Louis.

An underwater recovery team is being organized. Civil Defense and local law enforcement agencies are interested in this phase of scuba diving. Members already have had occasion to assist the Madison county sheriff's office in underwater searches.

The past year's activities included diving trips, tournaments, spear fishing contests and under ice dives.

Improvement

General improvement classes are offered in various fields according to demand. Included are elementary conversational classes in Spanish, French and Japanese.

Dance Classes

Instruction is offered in ballroom, tap and toe dancing. Brian and Martha Bronsman who have taught ballroom dancing in private and group lessons for some of the leading organizations in the area, provide instruction at a low rate. It is planned to keep the program going the year round with instruction for beginners, intermediates and advanced dancers.

Donald Stark teaches tap dancing. He is a former member of the King Brothers dance team and has a professional background in hotels, night clubs and on television.

Ballet is taught by Mrs. Irene Gustafson who danced at the age of 15 with the Lithuanian National Opera. She studied in Lithuania under Vera Nemchinova, who is teaching currently at Carnegie Hall, and under Lopuchov, the Russian ballet master.

Senior Citizens

A program of activity for senior citizens is gaining in popularity. Handicrafts are taught and projects undertaken.

There are art classes using crayon, tempera, charcoal and oil media. Other hobby crafts include ceramics and the making of pillowcases, smoked pillows, toys, quilts, towels and liquid embroidery.

There are 35 members in the senior citizens group. Their total attendance at meetings amounted to 1500 the past year. They have met each Thursday since last October and at various other times for classes and projects.

One group divides its time between handicrafts and card playing.

Outings and tours have been arranged, including participation with other senior citizen groups.

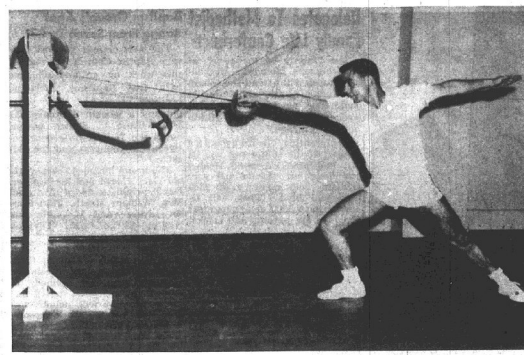

The YMCA also follows a policy of cooperation with the Granite City Army Depot, extending "Y" privileges to service personnel.

The gymnasium, swimming pool and locker rooms are available to servicemen without charge.

such arrests will result in a \$5 fine in addition to purchase of the license.

Truckers doing business in Venice without a city license also will receive arrest tickets, DeWitt said. Both city auto tags and truck licenses may be secured at the city hall.

— TRY A CLASSIFIED AD —

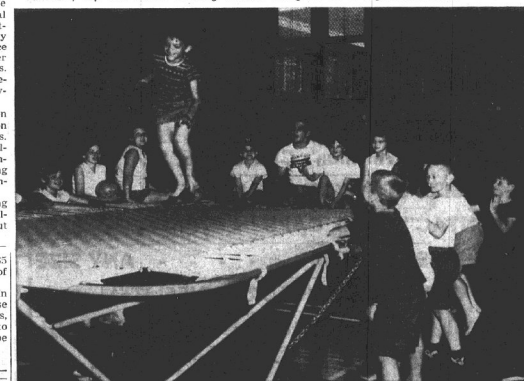

EN GARDE!—The fencing club is one of the newer activities. Instructor Omer Gulor of Turkey demonstrates the use of a mechanical practice device.

SWIMMING POOL ACTIVITIES are among the most popular at the YMCA. There are family swims, mother and tot swims and various classes of instruction for men, women and children.

DANCING INSTRUCTION is provided at low cost for all who wish to participate. Ballroom, tap and ballet dancing lessons are given on a regular schedule.

REBOUND TUMBLING—The trampoline is an attraction that draws many youngsters into the physical program.
